

Pathology House Staff Presentations

2019

2019 ASC Annual Meeting

Sethi S, **Mir F**, Cheng L, Gattuso P. Final needle aspiration of hematologic neoplasms involving the kidney: a clinical/cytologic review. *American Society of Cytopathology (ASC), Salt Lake City, UT, November 15-17, 2019.*

Solarewicz J, Rohra P, Mir F, Sethi S, Gattuso P, Cheng L. Lytic rib lesions, to Do FNA or not? *American Society of Cytopathology (ASC), Salt Lake City, UT, November 15-17, 2019.*

Mir F, Rohra P, Solarewicz J, Cheng L, Gattuso P. Cytologic features of granular cell tumor: a spectrum of benign, atypical and malignant lesions. *American Society of Cytopathology (ASC), Salt Lake City, UT, November 15-17, 2019.*

2019 CAP Annual Meeting

Cody B, Solarewicz J, Ghai R, Gattuso P. Axillary lymphadenopathy unrelated to breast carcinoma in the female patient: a retrospective analysis. *College of American Pathologists (CAP) 2019 Annual Meeting, Orlando FL, September 21-25, 2019.*

Furlan K, Rohra P, Mir F, Sethi S, Almajnooni A, White C, Gattuso P, Moore N. Mycobacterium spindle cell pseudotumor caused by Mycobacterium xenopi, a rare entity presenting in the lung: case report and literature review. *CAP 2019 Annual Meeting, Orlando, FL, September 21-25, 2019.*

Ramos J, Gattuso P, Bitterman P, Gown A. An immunohistochemical and cytogenetic analysis of mesothelial proliferative lesions of unknown malignant potential. *CAP 2019 Annual Meeting, Orlando, FL, September 21-25, 2019.*

Ramos J, Yan L, Park JW. Impact of the Milan system for reporting salivary gland cytopathology with clinical and histologic correlation. *CAP 2019 Annual Meeting, Orlando, FL, September 21-25, 2019.*

Solarewicz J, Tajudeen B, Gattuso P. Secondary head and neck mucosal sites from various primary malignant neoplasms. *CAP 2019 Annual Meeting, Orlando, FL, September 21-25, 2019.*

Almajnooni A, Latham P. Non-invasive blood tests to detect significant fibrosis (SF) and Nonalcoholic steatohepatitis (NASH) in morbid obesity (MO). *College of American Pathologists (CAP) 2020 Annual Meeting, Orlando FL, September 21-25, 2019.*

2019 IRAP Annual Meeting

Blanco J, Ghai R. 1) Subcarinal/endobronchial mass: Poorly differentiated basaloid squamous cell carcinoma. 2) Left testicular mass: Collision tumor of metastatic poorly differentiated basaloid squamous cell carcinoma with primary Sertoli cell tumor. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

Cody B, Pool M. Invasive carcinoma with squamous and adenoid cystic features, likely representing a variant of squamous cell carcinoma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

Furlan K, Miller I. Breast implant-associated anaplastic large cell lymphoma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

Mahmud W, Gattuso P. Phosphaturic mesenchymal tumor with prominent adipocytic component. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

Ramos J, Cheng L. Papillary adenocarcinoma with prominent morule-like component. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

Rohra P, Cimbaluk D. Crystalglobulinemia. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, February 2019.*

2019 USCAP Annual Meeting

Mir F, Rohra P, Al-Ghamdi Y, Sethi S, Lucero D, Ghai R, Bitterman P, Reddy V, Gattuso P. Endobronchial benign neoplastic lesions: a clinicopathologic review. *Poster presentation at the USCAP 2019 Annual Meeting, National Harbor, MD, March 2019.*

Ramos J, Gattuso P. Metastatic neuroendocrine tumors to the parotid gland: a retrospective analysis. *Poster presentation at the USCAP 2019 Annual Meeting, National Harbor, MD, March 2019.*

Rohra P, Mir F, Jakate S. Periappendiceal sessile serrated adenoma: How deep is the extension into the appendix? *Poster presentation at the USCAP 2019 Annual Meeting, National Harbor, MD, March 2019.*

Sethi S, Miller I. Hodgkin lymphoma following diffuse large B-cell lymphoma: a clinical and pathologic review. *Poster presentation at the USCAP 2019 Annual Meeting, National Harbor, MD, March 2019.*

Yan L, Park JW. Cytologic and clinical features of NIFTP: Can we diagnose based on pre-operative FNA? *Poster presentation at the USCAP 2019 Annual Meeting, National Harbor, MD, March 2019.*

2018

2018 ASC Annual Meeting

Yan L. Pleural effusion secondary to blastomycosis infection. *American Society of Cytopathology (ASC) 66th Annual Scientific Meeting, November 2018, Washington, DC.*

2018 ASCP Annual Meeting

Blanco JZ, Naumaan A, Jacobson R, Pappas S, Cheng L. Comparison of neoadjuvant therapy regimens and tumor regression scoring systems on pancreatic ductal adenocarcinoma: an institutional experience. *American Society for Clinical Pathology (ASCP) 2018 Annual Meeting, Baltimore, MD, October 3, 2018.*

2018 CAP Annual Meeting

Cody B. Vertebral body FNA: a retrospective analysis. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Lucero D. Extranodal metastatic tumors to the head and neck region; a clinical pathologic review. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Mahmud W. Does expression of mir-149 effect progression and survival in non-small cell lung cancer (NSCLCL) patients? *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Mir F. Non-epithelial neoplasms of the urinary bladder: a clinicopathologic review. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Naumaan A. Lymphocytic mastitis: a clinical pathologic review. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Rupcich C. Low grade squamous intraepithelial lesions and HPV results: a study of quantitative correlation with follow up histopathology. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

Sethi S. Diagnosis of breast fibromatosis on core needle biopsy. *College of American Pathologists (CAP) 2018 Annual Meeting, Chicago, IL, October 20-24, 2018.*

2018 IRAP Annual Meeting

Blanco JZ, Cimbaluk D. Henoch-Schönlein Purpura Nephritis. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

Naumaan A, Gattuso P. Large cell neuroendocrine carcinoma of the thymus. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

Sethi S, Pool M. Biphenotypic sinonasal sarcoma (BSNS). *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

Al-Ghamdi Y, Miller I. Chondroblastoma-like chondroma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

Mir F, Ghai R. Intrathyroidal parathyroid carcinoma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

Rupcich C, Park JW. Squamous cell carcinoma arising in a lymphoepithelial cyst. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2018.*

2018 USCAP Annual Meeting

Naumaan A, Blanco JZ, Mahmud W, Ghai R, Bitterman P, Reddy V, Gattuso P. Metastatic breast carcinoma to the adrenal gland: an autopsy review. *Poster presentation at the USCAP Annual Meeting, Vancouver, BC, Canada, March 2018.*

Alnajjar H, O'Toole TR, Murro Lin D, Reddy V, Bitterman P, Arvanitis L, Ghai R, Al-Khudari S, Gattuso P. Subgemmal neurogenous plaque: a clinical and pathologic review. *Poster presentation at the USCAP Annual Meeting, Vancouver, BC, Canada, March 2018.*

Blanco J, Mir F, Naumaan A, Rohra P, Mahmud W, Bitterman P, Reddy V, Gattuso P. Metastatic epithelial tumors of the adrenal gland: a 26-year retrospective autopsy study. *Poster presentation at the USCAP Annual Meeting, Vancouver, BC, Canada, March 2018.*

Javidiparsijani S, Brickman A, Buckingham L, Jakate S. Traditional serrated adenomas: pathological, endoscopical and molecular and epigenetic characteristics. *Poster presentation at the USCAP Annual Meeting, Vancouver, BC, Canada, March 2018.*

Mahmud W, Alnajjar H, Jakate S. Gastric sarcoidosis and granulomatous Crohn's gastritis: similarities and differences. *Poster presentation at the USCAP Annual Meeting, Vancouver, BC, Canada, March 2018.*

2017

2017 AANP Annual Meeting

Alnajar H, Novo J, Chiang J, Kocak M, Pillainayagam C, Munoz L and Arvanitis L. Radiation-induced glioblastoma at the site of a treated cerebellar medulloblastoma: a case report. *Poster presentation at the AANP 93rd Annual Meeting, Garden Grove, CA, June 2017.*

Novo J, Alnajar H, Kocak M, Munoz L, Pillainayagam C, Arvanitis L. Late-onset myxopapillary ependymoma metastasis presenting as an isolated sellar lesion: a case report. *Poster presentation at the AANP 93rd Annual Meeting, Garden Grove, CA, June 2017.*

Novo J, Alnajar H, Kocak M, Munoz L, Pillainayagam C, Arvanitis L. Triple trouble: a case of three distinct synchronous brain malignant neoplasms in a patient with Li-Fraumeni syndrome. *Poster presentation at the AANP 93rd Annual Meeting, Garden Grove, CA, June 2017.*

2017 AMP Annual Meeting

Mahmud W, Prasad S, Buckingham L. Forkhead box M1 gene expression, KRAS mutation status and standard uptake value (SUV) of positron emission tomography (PET) in non-small cell lung cancer (NSCLC). *Poster presentation at the AMP Annual Meeting, Salt Lake City, UT, November 2017.*

2017 ASC Annual Meeting

Rohra P, Lin D, Gattuso P. Role of FNA in post liver transplant patients: a clinical/cytological review. *Poster presentation at the ASC 65th Annual Meeting, Phoenix, AZ, November 2017.*

Naumaan A, Mir F, Reddy V, Gattuso P. Cytologic features of lymphoepithelial carcinoma. *Poster presentation at the ASC 65th Annual Meeting, Phoenix, AZ, November 2017.*

2017 ASCP Annual Meeting

Al-Ghamdi Y, Park JW, Gattuso P. Fine needle aspiration of a Hürthle cell adenoma with atypical features: a case study and diagnostic dilemma. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Al-Ghamdi Y, Mahon B, Reddy V, Gattuso P. Metastatic neoplasms of bone marrow: a clinicopathological study. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Mahmud W, Rohra P, Bitterman P, Reddy V, Gattuso P. Metastatic collision tumors: a clinicopathologic review. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Mir F, Alnajjar H, Rucpich C, Reddy VB, Gattuso P. Metastatic renal cell carcinoma to the head and neck area: a clinicopathologic study. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Naumaan A, Blanco JZ, Park JW. Unsatisfactory Pap smears with concurrent HPV testing: one institution's experience with follow-up cytologic, HPV, and histologic results. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Rohra P, Mahmud W, Reddy V, Bitterman P, Gattuso P. Micromedullary carcinoma, clinicopathologic review. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Rucpich C, Gattuso P, Reddy V. Blastomycosis in immunocompromised patients: A clinicopathologic review. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

Sethi S, Reddy VB, Bitterman P, Gattuso P. Giant cell tumors of bone with pulmonary metastasis. *Annual American Society for Clinical Pathology Meeting, Chicago, IL, September 2017.*

2017 CAP Annual Meeting

Al-Ghamdi Y, Alnajjar H, Mahon B. CNS large B-cell lymphoma in a patient with Waldenstrom macroglobulinemia: a case study. *College of American Pathologists Annual Meeting, National Harbor, MD, October 2017.*

Blanco J, Mir F, Jakate S. Rate of coexistence of eosinophilic esophagitis and eosinophilic gastritis/enterocolitis on combined upper and lower endoscopic biopsies. *College of American Pathologists Annual Meeting, National Harbor, MD, October 2017.*

Mir F, Sethi S, Park JW. DCIS on core biopsy with sentinel lymph node sampling at the time of excision: our institution's experience with review of the literature. *College of American Pathologists Annual Meeting, National Harbor, MD, October 2017.*

Mir F, Blanco JZ, Alnajjar H, Pool M. Synchronous occurrence of gastrointestinal stromal tumor and gastric adenocarcinoma: a case report. *College of American Pathologists Annual Meeting, National Harbor, MD, October 2017.*

2017 IRAP Annual Meeting

Al-Ghamdi Y, Miller I. Plexiform fibrohistiocytic tumor (PFT), histiocytoid type. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

Brickman A, Miller I. Metastatic melanoma with heterologous differentiation. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

Javidiparsijani S, Jakate S. Combined hepatocellular and cholangiocarcinoma, classical type. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

Mir F, Gattuso P. Reactive histiocytic proliferations. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

Rupcich C, Arvanitis L. Primary intracranial Ewing sarcoma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

Sethi S, Miller I. Myoepithelial predominant mixed tumor of skin/soft tissue with atypical features. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, January 2017.*

2017 Rush Research Forum

Sethi S, Rosen L, Sharma S, Bitterman P, Barua A. Ovarian malignant transformation is associated with the decrease in DNA repair enzyme 8-oxo-guanine glycosylase. *Rush Research Forum, March 2017, Chicago, IL.*

2017 SH / EAHP Workshop

Al-Ghamdi Y, Mahon B, Shammo J, Miller I. A 46 year old male with CML in blast crisis with t(15; 17) and RARA gene rearrangement. *Oral presentation at the SH / EAHP 2017 workshop, September 7-9, 2017 in Chicago, IL.*

Al-Ghamdi Y, Mahon B, Miller I. JAK2-positive essential thrombocythemia transformed to AML with acquisition of Ph chromosome. *Case summary at the SH / EAHP 2017 workshop, September 7-9, 2017 in Chicago, IL.*

Al-Ghamdi Y, Mahon B, Miller I. AML with t(8;21) presenting with clonal evolution involving t(9;22) and further progression. *Case summary at the SH / EAHP 2017 workshop, September 7-9, 2017 in Chicago, IL.*

Mahon B, **Al-Ghamdi Y**, Miller I. AML with Ph chromosome and MLL rearrangement. *Case summary at the SH / EAHP 2017 workshop, September 7-9, 2017 in Chicago, IL.*

2017 USCAP Annual Meeting

Al-Ghamdi Y, Malik F, **Patel S**, Mahon B, Gattuso P. Extranodal lymphoid neoplasms of the head and neck: a retrospective analysis. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Alnajar H, Syed S, Cimbalk D, Buckingham L, Gattuso P. Chimerism in allograft kidney tumors transplanted patients. *USCAP Annual Meeting, San Antonio, TX, March 2017.*

Rosen LE, **Alnajar H**, Ananthanarayanan V, Gattuso P, Liu L, Raparia K, Husain AN. Appropriate use of immunohistochemistry in the diagnosis of lung cancer on biopsy: a retrospective comparison from four academic centers. *Poster presentation at USCAP annual meeting, San Antonio, TX, March 2017.*

Javidiparsijani S, **Lin D**, Reddy V, Bitterman P, Gattuso P. Is regional lymph node metastasis of head and neck paraganglioma a sign of aggressive clinical behavior? A clinical/pathologic review. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Naumaan A, Ghai R, Gattuso P. Warthin's tumor of the parotid gland: a simple lesion with complex clinical implications; a clinical pathologic review. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Patel S, **Sethi S**, Jakate S. Localized colonic ischemia producing a mass and clinically mimicking colon carcinoma: an unrecognized variant of ischemic colitis. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Rupcich C, **Alsadi A**, **Murro D**, **Brickman A**, Paulsen E, Jaros M, Jakate S. Error reduction of misidentified paraffin blocks through the use of automated cassette labeling: a three-year follow-up study. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Sethi S, **Rupcich C**, Park J. Is reporting of normal endometrial cells in women greater than 45 years on Papanicolaou test necessary? *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

Sethi S, **Patel S**, Reddy VB, Bitterman P, Ghai R, Gattuso P. Umbilical masses: a clinicopathological review. *Poster presentation at the USCAP Annual Meeting, San Antonio, TX, March 2017.*

2016

2016 AANP Annual Meeting

Rupcich C, Al-Ghamdi Y, Arvanitis L, Munoz L, Nag S. Primary melanoma of the pineal gland: a case report. *Poster presentation at the AANP annual Meeting, Baltimore, MD, June 2016.*

2016 ASC Annual Meeting

Ikemura I, **Al-Ghamdi Y**, Park J, Gattuso P. Diagnostic value of bronchoalveolar lavage and its correlation with clinical and microbial studies in orthotopic liver transplant patients. *64th Annual American Society of Cytopathology Meeting, New Orleans, LA, November 2016.*

Mir F, Lin D, Reddy VB, Bitterman P, Park J, Gattuso P. Intraoperative cytologic staging of ovarian germ cell tumors: a clinical/cytologic review. *Presented at the 64th Annual American Society of Cytopathology Meeting, New Orleans, LA, November 2016.*

2016 ASCP Annual Meeting

Alnajar H, Syed S, Cimbaluk D, Gattuso P. Renal tumors in allograft kidneys and association with BK polyomavirus infection. *Best resident poster finalists, ASCP Annual Meeting, Las Vegas, NV, September 2016.*

2016 ASDP Annual Meeting

Alnajar H, Gattuso P, Reddy V. Malignant granular cell tumor of the groin with local recurrence and distant metastasis: a case report. *Poster presentation at ASDP annual meeting, Chicago, IL October 2016.*

Alnajar H, Slade J, Gattuso P, Reddy V. Primary cutaneous myxoid spindle cell squamous cell carcinoma: a case report. *Poster presentation at the ASDP annual meeting. Chicago, IL, October 2016.*

2016 CAP Annual Meeting

Alnajar H, Rosen L, Javidiparsijani S, Arvanitis L, Bitterman P, Reddy V, Park J, Gattuso P. Prognostic markers and histologic subtypes in patients with meningeal carcinomatosis in breast cancer. *The College of American Pathologists Annual Meeting, Las Vegas, NV, September 2016.*

Brickman A, Sethi S, Harbhajanka A, Park JW, Singh K. Fine needle aspiration of fungal endophthalmitis caused by coccidioides with no systemic involvement: a case study. *Presented at the College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada, September 2016.*

Brickman A, Alnajar H, Park JW. Unusual presentation of metastatic ovarian serous carcinoma with fine needle aspiration of a neck lymph node in a patient with a 15-year history of borderline serous tumor: a case report. *Presented at College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada.*

Brickman A, Javidiparsijani S, Gattuso P. Primary mucoepidermoid carcinoma of the tonsil, report of one case with an unusual histopathologic feature. *Presented at College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada.*

Javidiparsijani S, Brickman A, Lin D, Alnajar H, Reddy V, Bitterman P, Ghai R, Gattuso P. Hematologic malignancies of the genitourinary tract: a review. *Presented at College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada.*

Javidiparsijani S, Brickman A, Lin D, Alnajar H, Jakate S. Pancreatic ductal adenocarcinomas initially detected on endoscopic duodenal biopsies are clinicopathologically distinctive and Portend inoperability and grave prognosis. *Presented at College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada.*

Mir F, Reddy VB, Park J, Gattuso P, Rosen L. Melanomatous meningitis in patients with cerebral metastases. *Presented at the College of American Pathology 2016 Annual Meeting, Las Vegas, Nevada.*

Rupcich C, Sethi S, Gattuso P. Fine needle aspiration diagnosis of secondary malignancies of the parotid gland. *CAP Annual Meeting, September 2016, Las Vegas, NV.*

Sethi S, Brickman A, Harbhajanka A, Tongma C, Park J, Sing K. Histoplasma hidden in the eye: a rare cause of uveitis. *CAP Annual Meeting, September 2016, Las Vegas, NV.*

Sethi S, Rosen L, Lin D, Patel SC, Jakate S. Unique clinicopathological characteristics of endometrioid adenocarcinoma in the colon. *CAP Annual Meeting, September 2016, Las Vegas, NV.*

2016 USCAP Annual Meeting

Harbhajanka A, Lamzabi I, Jain R, Syed S, Reddy V, Ghai R, Gattuso P. Correlation of p16 expression on cancer and stromal cells with clinicopathological and immunohistochemical features of lobular breast carcinoma. *Poster presentation at the USCAP annual Meeting, Seattle, WA, March 2016.*

Murro Lin D, Javidiparsijani S, Vardouniotis A, Buckingham L, Gattuso P. BRAF and RAS mutation analysis to distinguish benign ectopic thyroid tissue and metastatic thyroid carcinoma. *Poster presentation at the USCAP annual Meeting, Seattle, WA, March 2016.*

2015

2015 AANP Annual Meeting

Murro D, Novo J, Arvanitis L. Asymptomatic diffuse “encephalitic” cerebral toxoplasmosis in a patient with systemic lupus erythematosus. *Poster presentation at AANP Annual Meeting, Denver, CO, June 13, 2015.*

Novo J, Murro D, Arvanitis L. A 55-year-old female with worsening headaches and acute onset confusion: a case of leukoencephalopathy with cerebral calcifications and cysts. *Poster presentation at AANP Annual Meeting, Denver, CO, June 12, 2015.*

2015 ASCP Annual Meeting

Patel S, Bitterman P, Reddy V, Gattuso P. Clinicopathological Study of Hematological Malignancies Involving the Female Genital Tract and a Role of Additional Immunohistochemistry in Discriminating Between Primary and Secondary Cases. *Poster presentation, ASCP Annual Meeting, October 2015.*

Patel S, Harbhajanka A, Mahon B, Gattuso P. A Clinicopathological Spectrum of Tumoral Amyloidosis: An Incidental Innocent Tumor. *Poster presentation, ASCP Annual Meeting, October 2015.*

2015 CAP Annual Meeting

Alnajar H , Rosen LE, Gattuso P. Prognostic markers expression of female breast carcinoma with brain and bone metastasis. *Poster Presentation at CAP annual Meeting 2015, Nashville, TN, October 2015.*

Murro D, Alsadi A, Jakate S. Spectrum of clinicopathological deviations in long-segment Hirschsprung disease compared to short-segment Hirschsprung disease. *College of American Pathologists Annual Meeting. Nashville, TN. Oct. 2015.*

Patel S, Jakate S. An Unusual Case of Noninvasive Adenocarcinoma Arising in a Localized Adenomyoma of the Gallbladder. *Poster presentation, CAP Annual Meeting, October 2015.*

Patel S, Jakate S. Primary Undifferentiated Embryonal Sarcoma of the Liver in a 73-year-old Woman: The Oldest Reported Patient. *Poster presentation, CAP Annual Meeting, October 2015.*

Patel S, Cimbaluk D. A Case of Adult-Onset Collagenofibrotic Glomerulopathy: An Extremely Rare Glomerular Disease. *Poster presentation, CAP Annual Meeting, October 2015.*

2015 IRAP

Alnajar H, Arvanitis L. Chronic pachymeningitis with focal meningothelial proliferation and increased IgG4-positive plasma cells. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

Alsadi A, Miller I. Post-transplant lymphoproliferative disease with features of multicentric Castleman disease, plasma cell variant (HHV8-negative), with associated autoimmune hemolytic anemia. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Brickman A, Ghai R. Epithelioid trophoblastic tumor (ETT). *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

Harbhajanka A, Loew J. Monomorphic B-cell post-transplant lymphoproliferative disorder. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

Harbhajanka A, Gattuso P. Clear cell odontogenic carcinoma. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Javidiparsijani S, Cimbaluk D. Fabry disease. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

Murro D, Gattuso P. Secondary poorly differentiated synovial sarcoma of the thyroid. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Novo J, Arvanitis L. Leukoencephalopathy, cerebral calcifications and cysts (LCC). *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Patel S, Miller I. Extranodal marginal zone lymphoma with plasmacytic differentiation. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

Patel S, Cimbaluk D. Collagenofibrotic glomerulopathy (aka: collagen type-III glomerulopathy). *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Slade J Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015., Ghai R. Benign neural neoplasm of nerve sheath origin with a ganglion cell component and foci of heterologous epithelial differentiation (possible composite ganglioneuroma-paraganglioma with glandular component). *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, March 2015.*

Yan L, Miller I. Malignant peripheral nerve sheath tumor of the endocervix. *Illinois Registry of Anatomic Pathology, Chicago Pathology Society Meeting, November 2015.*

2015 USCAP Annual Meeting

Alsadi A, Murro D, Martin Colin, Miller I, and Gattuso P. Hematologic malignancies of the breast. *Poster Presentation at USCAP annual Meeting, Boston, MA, March 2015.*

Harbhajanka A, Lamzabi I, Jain R, Syed S, Reddy VB, Ghai R, Bitterman P, Mei M, Gattuso P. Comparison of invasive pleomorphic lobular carcinoma with invasive classic lobular carcinoma: clinicopathologic and biomarker analysis. *Poster presentation at the annual USCAP meeting, Boston, MA, March 2015.*

Lamzabi I, Rosen LE, Jain R, **Harbhajanka A, Syed S**, Reddy VB, Gattuso P. Architectural differences between typical and atypical carcinoids of the lung and their prognostic significance. *Poster presentation at the annual USCAP meeting, Boston, MA March 2015.*

Murro D, Gattuso P, **Patel S**. Adrenal myelolipoma and concomitant extra-adrenal lesions. *Poster presentation for USCAP meeting, Boston, MA, March 2015.*

Patel S, Buckingham L, **Harbhajanka A, Murro D**, Ghai R, Reddy V, Bitterman P, Gattuso P. Adenomatous polyposis coli (APC) promoter hypermethylation in pulmonary hamartomas contributing to a malignant phenotype. *Poster presentation at annual USCAP meeting, Boston, MA, March 2015.*

Rosen LE, Murro D, Gattuso P. Predictors of recurrence in giant cell tumor of bone. *Poster presentation at the annual USCAP meeting, Boston, MA, March 2015.*

Rosen LE, Lamzabi I, Reddy VB, Gattuso P. Beyond mitosis and necrosis: additional histocytologic differences between typical and atypical carcinoids of the lung and their prognostic significance. *Poster presentation at the annual USCAP meeting, Boston, MA, March 2015.*

Slade JM, Jakate S. Is grossly cryptic early gastric carcinoma a distinctive phenotype rather than a stage? *Poster presentation at the USCAP annual meeting, Boston, MA, March 2015.*

Syed S, Harbhajanka A, Mahon B, Jakate S. Clinicopathological challenges in the detection of hepatic Hodgkin lymphoma. *Poster presentation at the annual USCAP meeting, Boston, MA, March 2015.*

2014

2014 ASC Annual Meeting

Harbhajanka A, Lamzabi I, Jain R, Syed S, Gattuso P. Fine needle aspiration cytology of cystic primary adult granulosa cell tumor of the ovary. *ASC Annual Meeting, Dallas, TX, November 2014.*

Murro D, Slade J, Gattuso P. Cytologic findings of hematologic malignancies in bronchoalveolar lavage fluid. *Poster presentation for American Society of Cytopathology Annual Meeting, Dallas, TX, November 2014.*

Slade J, Lamzabi I, Murro D, Gattuso P. Fine needle aspiration cytology of sarcomas metastasizing to lymph nodes. *Poster presentation for American Society of Cytopathology Annual Meeting, Dallas, TX, November 2014.*

2014 Biennial Ovarian Cancer Research Symposium

Rosen LE, Barua A, Bahr JM, et al. Peroxisome proliferator-activated receptor-gamma (PPAR- γ) prevents ovarian cancer progression. *Poster presentation at the Martha Rivkin Center for Ovarian Cancer Research 10th Biennial Ovarian Cancer Research Symposium, September 2014 in Seattle, Washington.*

2014 CAP Annual Meeting

Cheng L, Miller I. Atypical lipomatous tumor with myopericytoma/myofibroma-like differentiation. *Poster presentation at CAP Annual Meeting, Chicago, IL, September 2014.*

Cheng L, Murro D, Jakate S. Surgical, endoscopic and histologic correlates and challenges linked to inverted appendiceal stump. *Poster presentation for CAP Annual Meeting, Chicago, IL, September 2014.*

Harbhajanka A, McIntire PJ, Lamzabi I, Jain R, Gattuso, P. Adrenal cystic lesions: a clinicopathological analysis of 18 cases with review of the literature. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

Harbhajanka A, Lamzabi I, Jain R, Syed S, Slade, JM, Gattuso, P. Correlation of perineural invasion and lymphovascular invasion with clinicopathologic parameters and its role as a prognostic factor in patients with invasive lobular breast cancer. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

Jain R, Mahon B, Lamzabi I, Harbhajanka A, Jakate S. EBV hepatitis and metastatic seminoma: a diagnostic pitfall. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

Murro D, Harbhajanka A, Mahon B, Deziel D. Benign cystic mesothelioma associated with ipsilateral renal agenesis in an adult male. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

Murro D, Stemm M, Nag S Aiken R, Munoz L. An unusual case of recurrent pituitary carcinoma. *Poster presentation for CAP Annual Meeting, Chicago, IL. September 2014.*

Rosen LE, Cheng L, Lamzabi I, Guiguis A, Bitterman P. Multifocal serous carcinoma of the cervix and fallopian tube in a patient with Turner syndrome. *Poster presentation at the CAP Annual Meeting, September 2014 in Chicago, Illinois.*

Rosen LE, Reddy VB, Gattuso P. Primary lung carcinoma with concomitant granulomas: a clinical and histopathologic challenge. *Poster presentation at the CAP Annual Meeting, September 2014 in Chicago, Illinois.*

Rosen LE, Zhao CL, Gattuso P. Low grade neuroendocrine tumors of the lung including tumorlet, typical and atypical carcinoid: a clinicopathologic review. *Poster presentation at the CAP Annual Meeting, September 2014, in Chicago, Illinois.*

Singh RI, Lamzabi I, Rosen LE, Reddy VB, Bitterman P, Gattuso P. Granular cell tumors (GCTs) of the breast: a clinicopathologic and immunohistochemical study. *Poster presentation at the CAP Annual Meeting, September 2014 in Chicago, Illinois.*

Slade J, Syed S, Harbhajanka A, Gattuso P. Metastatic monophasic synovial sarcoma to the thyroid gland, originally diagnosed as medullary carcinoma. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

Slade JM, Khan B, Jakate SM, Reddy VB, Miller IJ. A unique case of a myelodysplastic/myeloproliferative neoplasm with distinct histiocytic and dendritic cell outgrowths. *CAP Annual Meeting, Chicago, IL, September 7-9, 2014.*

2014 Multidisciplinary Symposium on Breast Disease

Peterson L, **Patel S.** Parenchymal leiomyoma of the breast diagnosed on ultrasound-guided core needle biopsy. *Poster presentation at the 19th Annual Multidisciplinary Symposium on Breast Disease, January 2014.*

2014 National Academy of Science Proceedings

Gonzalez, M.E., Moore, H.M., **Li, X.**, Toy, K.A., Huang, W., Sabel, M.D., Kidwell, K., and Kleer, C.G. EZH2 expands breast stem cells through activation of NOTCH1 signaling. *Proceedings of the National Academy of Sciences U.S.A. (PNAS), 2014 Feb 25;111(8):3098-103.*

2014 USCAP Annual Meeting

Harbhajanka S, Murro D, Jakate S. Clinicopathological spectrum of stercoral colitis with distinctive cohort-related localizations and severity. *Poster presentation at USCAP Annual Meeting, San Diego, CA, March 2014. Modern Pathology 2014;27:194A.*

Harbhajanka A, Lamzabi I, Syed S, Macagba J, Gattuso P. Prognostic value of coexisting lobular carcinoma in situ with invasive lobular carcinoma. *Abstract presentation at USCAP 2014 Annual Meeting, San Diego, CA. March 2014.*

Jain R, Jakate S, Lamzabi I, Gattuso P. Metastases of hepatocellular carcinoma to vertebrae: A 'significant other' preferred route of distant metastases. *Platform presentation at USCAP annual meeting, March 1-7, 2014, San Diego, CA. Published in Modern Pathol 2014 Feb;27(S2):421A, #1726.*

Lamzabi I, Rosen LE, Buckingham L, Jain R, Barbanera W, Gattuso P. Bcl-2-associated X protein (BAX) expression in neuroendocrine lung tumors. *Abstract presented at USCAP annual meeting, March 1-7, 2014, San Diego, CA. Published in Modern Pathol 2014 Feb;27(S2):484A, #1992.*

Lamzabi I, Rosen LE, Buckingham L, Jain R, Barbanera W, Bitterman P, Reddy V, Gattuso P. Epigenetic regulation of BAX gene in neuroendocrine tumors of the lung and its prognostic implication. *Abstract presented at USCAP annual meeting, March 1-7, 2014, San Diego, CA. Published in Modern Pathol 2014 Feb;27(S2):484A, #1991.*

Murro D, Cheng L, Harbhajanka A, Patel S, Jakate S. Radiation esophagitis is characterized by rarity, clinical acuteness, endoscopic nonspecificity and histological mimicry to CMV esophagitis. *Poster presentation at the USCAP annual meeting, San Diego, CA. March 2014. Modern Pathology 2014;27:178A.*

Rosen LE, Ghai R, Reddy VB, Gattuso P. Concurrent angiomyolipomas and renal cell neoplasms in patients without tuberous sclerosis: a retrospective study. *Poster presented at USCAP Annual Meeting, March 2014, San Diego, CA. Published in Modern Pathology Supplement 2014;27(S2):256A, #1054.*

Magi-Galluzzi C, McKenney JK, Trpkov K, Rosen L, Gattuso P. Renal leiomyoma: a multi-institutional study of 9 cases. *Poster presented at USCAP Annual Meeting, March 2014, San Diego, CA. Published in Modern Pathology Supplement 2014;27(S2):247A, #1015.*

Kalil J, Slade JM, Buckingham L, Reddy VB, Medavaram A, Ghai R, Bitterman P, Gattuso P. Is peripheral squamous cell carcinoma of the lung a different neoplasm than central squamous cell carcinoma? A clinical, pathologic and epigenetic study. *Poster presentation at Annual USCAP Meeting, San Diego, CA, March 3, 2014.*

2013

2013 ASCP Annual Meeting

Lamzabi I, Jakate S, Jain R, Buckingham L, Gattuso P. Expression and epigenetic regulation of E-cadherin in metastatic gastrointestinal and pancreatic neuroendocrine tumors and carcinomas. *Abstract presentation in ASCP 2013 annual meeting.*

2013 ASD Annual Meeting

Singh R, Anderson J, Heagley D, Singh K, Reddy V. Purpuric rash in a patient with lymphoma: strongyloides stercoralis hyperinfection syndrome. *Poster presentation at the ASDP 50th Annual Meeting at Washington, DC, October 10-13, 2013.*

2013 ASH Annual Meeting

Gates J, Cheng L, Caragher T. Assessment of the clinical diagnostic value of Hevylite™ analysis compared with routine serum protein electrophoresis screening and/or monitoring. *ASH Annual Meeting, December 2013.*

2013 CAP Annual Meeting

Cheng L, Miller I. EBV-associated smooth muscle tumor in tonsil. *CAP Annual Meeting October 2013, Orlando, FL.*

Cheng L, Lamzabi I, Gown A, Reddy VB, Gattuso P, Bitterman P. Androgen receptor expression in primary and metastatic high-grade serous carcinomas. *CAP Annual meeting, October 2013, Orlando, FL.*

Cheng L, Miller I. Subcutaneous metastasis of a TFE3 positive renal cell carcinoma. *CAP Annual meeting, October 2013, Orlando, FL.*

Rosen LE, Mahon B. Myocardial intravascular hydrophilic polymer emboli associated with acute myocardial infarction: a case report. *CAP Annual Meeting, October 2013 in Orlando, Florida. Published in Archives of Pathology and Laboratory Medicine 2013;137(10):1475, #144.*

2013 DDW Annual Meeting

Jain R, Lamzabi I, Gattuso P, Jakate S. Gastrointestinal stromal tumors show strong association with synchronous or metachronous other malignancies. *Poster presentation at Digestive Diseases Week (DDW), Orlando, FL, May 21, 2013.*

2013 IRAP

Cheng L, Jakate S. Adenoid cystic carcinoma metastatic to colon. *Illinois Registry of Anatomic Pathology Chicago Pathology Society Meeting, November 2013.*

Fox M and Kluskens L. Aortic aneurysm, Loeys Dietz syndrome. *Presented at the Illinois Registry of Anatomic Pathology Chicago Pathology Society Meeting November 18, 2013.*

Gates J and Miller I. Low-grade central osteosarcoma. *Presented at the Illinois Registry of Anatomic Pathology Chicago Pathology Society Meeting, November 18, 2013.*

Rosen L and Bitterman P. Mesonephric adenocarcinoma. *Presented at the Illinois Registry of Anatomic Pathology Chicago Pathology Society Meeting, November 18, 2013.*

Singh R and Loew J. Ectopic hamartomatous thymoma (Branchial Anlage Tumor). *Presented at the Illinois Registry of Anatomic Pathology Chicago Society Meeting, November 13, 2013.*

Slade (Macagba) J, and Cimbaluk D. LECT2 amyloidosis. *Presented at the Illinois Registry of Anatomic Pathology Chicago Society Meeting, November 18, 2013.*

Syed S and Ghai R. Mammary analog secretory carcinoma (MASC). *Presented at the Illinois Registry of Anatomic Pathology Chicago Society Meeting. November 18, 2013.*

2013 USCAP Annual Meeting

Jain R, Lamzabi I, Jakate S. Intrarectal squamous cell carcinoma – a rare HPV-related variant. *Abstract presented at USCAP 2013. Published in Modern Pathology 2013;26(S2):157A, #654.*

Lamzabi I, Jakate S, Jain R, Cheng L, Gattuso P. Histopathologic parameters of gastrointestinal and pancreatic neuroendocrine tumors/carcinomas can predict their clinical behavior. *Abstract presented at USCAP 2013. Published in Modern Pathology 2013;26(S2):163A, #679.*

Lamzabi I, Jain R, Jakate S. Helicobacter carditis and its association with symptoms, EGD findings and coexistent Helicobacter gastritis, Helicobacter duodenitis, gastroesophageal reflux and Barrett's esophagus. *Abstract presented at USCAP 2013. Published in Modern Pathology 2013;26(S2):163A, #678.*

Lamzabi I, Ghai R, Gattuso P. Carcinogenesis pathways of pleomorphic lobular carcinoma. *Abstract presentation at USCAP 2013 annual meeting, March 2013.*
