About Rush University

Rush University is a private health sciences institution based in the Illinois Medical District, near Chicago's Loop. We offer more than 24 degree and certificate programs across medicine, nursing, allied health and biomedical research; more than 60 postgraduate training programs for medical residents and fellows; and continuing education options.

The University is located on the campus of Rush University Medical Center, a nationally ranked academic medical center specializing in leading-edge patient care and research.

Rush University offers a wide range of education and training options to prepare students for the next step in their health care career. Academic programs are offered through our four colleges:

- **Rush Medical College** (founded in 1837)
- **Rush University College of Nursing** (founded in 1972)
- **The College of Health Sciences at Rush University** (founded in 1975)
- **The Graduate College at Rush University** (founded in 1981)

Mission

Rush University provides outstanding health sciences education and conducts impactful research in a culture of inclusion, focused on the promotion and preservation of the health and well-being of our diverse communities.

Vision

The Rush learning community will be the leading health sciences university committed to transforming health care through innovative research and education.

Values

Rush University's core values — innovation, collaboration, accountability, respect and excellence — are the roadmap to our mission and vision.

These five values, known as our ICARE values, convey the philosophy behind every decision Rush employees make.

Rush employees also commit themselves to executing these values with compassion. This translates into a dedication — shared by all members of the Rush community — to providing the highest quality patient care.
