

Date of Preparation: May 2014

BETH A. STAFFILENO

Office Address: Rush University
Medical Center
600 S. Paulina, AAC 1080
Chicago, IL 60612
Telephone: 312-942-6101
E-mail: Beth_A_Staffileno@rush.edu
Facsimile: 313- 942-2549

PERSONAL DATA

Baccalaureate: Rush University College of Nursing
Chicago, Illinois
June 1982

Graduate: Masters in Nursing
Rush University College of Nursing
Chicago, Illinois
August 1993

Doctor of Nursing Science (PhD)
Rush University College of Nursing
Chicago, Illinois
October 1997

PROFESSIONAL APPOINTMENTS

June 2011 - Present August 1999 to 2011	Appointed Associate Professor Assistant Professor Department of Adult Health College of Nursing	Rush University Medical Center Chicago, Illinois
March 2009 – 2012	Research Consultant	Lake Forest Hospital Lake Forest, Illinois
March 2007 – February 2009	Research Consultant	Rush North Shore Medical Center Skokie, Illinois
April 1998 – July 1999	Adjunct Faculty Assistant Professor College of Nursing	Wayne State University Detroit, Michigan
August 1995 – October 1997	Research Coordinator Preventive Cardiology	Rush-Presbyterian-St. Luke's Medical Center Chicago, Illinois
November 1986 - April 1993	Cardiology Private Practice	Drs. RM Casas & AD Kogan St. Francis Hospital Evanston, Illinois

September 1990 - December 1993	Staff Nurse Cardiac Telemetry Unit	Evanston Hospital Corporation Evanston, Illinois
January 1984 - June 1989	Staff Nurse Cardiac Telemetry	St. Francis Hospital Evanston, Illinois
October 1983 - January 1984	Staff Nurse Oncology Unit	St. Francis Hospital Evanston, Illinois
June 1982 - October 1983	Staff Nurse General Surgical Unit	Rush-Presbyterian-St. Luke's Medical Center Chicago, Illinois
June 1981 June 1982	Nursing Assistant General Surgery	Rush-Presbyterian-St. Luke's Medical Center Chicago, Illinois

LICENSURE AND BOARD CERTIFICATION

O41-215688 Illinois

HONORS/AWARDS

October 2013	Excellence in Research by the <i>Nursing Outlook</i> editorial board for the article entitled 'Empowering staff nurses to use research to change practice for safe patient handling' presented at the American Academy of Nursing annual meeting.
November 2012	The Power of Nursing Leadership Pinnacle Leader
May 2012	Fellowship in the Institute of Medicine of Chicago
August 2010	Sigma Theta Tau Honorary Society, Gamma Phi Chapter Award for Excellence in Nursing Practice
April 2007	Sigma Theta Tau Honorary Society, Gamma Phi Chapter Luther Christman Award for Excellence in Published Writing
May 2006	Sigma Theta Tau Honorary Society, Gamma Phi Chapter Luther Christman Award for Excellence in Published Writing
November 2004	Fellowship in the American Heart Association
June 2004	Sigma Theta Tau Honorary Society, Gamma Phi Chapter Clinical Research Award
April 2004	American Federation for Medical Research Henry Christian Research Award
May 1997	American Society of Hypertension/Bristol-Myers Squibb Recognition Award for Young Investigators-In Training, San Francisco, California
February 1997	Sigma Xi Outstanding College Research Presentation & Award
June 1996	Sigma Theta Tau Honorary Society, Gamma Phi Chapter Judith Jezek Anderson Scholarship for Doctoral Studies

June 1995	The Golden Lamp Society Award
June 1994	Rush-Presbyterian-St. Luke's Nurses Alumni Award Rush University, College of Nursing

PROFESSIONAL SOCIETIES

1992-Present	American Heart Association - Council on Cardiovascular Nursing
1993-Present	Sigma Theta Tau Honorary Society
1993-2006	American College of Sports Medicine
1994-2005	American Society of Hypertension
2000-Present	American Heart Association - Council on Nutrition, Metabolism, and Physical Activity
2004-2005	American Federation for Medical Research
2006-Present	Preventive Cardiology Nurses Association

SERVICE

Community Activities

2014-Present	Sharing Ministry Our Lady of Perpetual Help Parish, Glenview Illinois
2009-2014	Pre Cana Facilitator Our Lady of Perpetual Help Parish, Glenview Illinois
2009-Present	Eucharistic Minister Our Lady of Perpetual Help Parish, Glenview Illinois
2008-Present	Ministry of Care Our Lady of Perpetual Help Parish, Glenview Illinois
2004-2014	Our Lady of Perpetual Help, Glenview Illinois Women's Council Guild 34
2003	Dream Halloween, Volunteer: Chicago Illinois
2001	Dream Halloween, Volunteer: Chicago Illinois
1986-1989	Treasurer: Rotaract/Rotary International Evanston Club

Grant and Abstract Reviewer

2010-present	Sigma Theta Tau International
2013-2015	Preventive Cardiology Nurses Association

Journal Reviewer

2012-Present	Heart and Lung: The Journal of Acute and Critical Care
2012-Present	American Heart Association, Scientific Statement Reviewer
2011	Journal of Aging and Physical Activity
2008- Present	Progress in Cardiovascular Nursing
2003- Present	Journal of Cardiovascular Nursing
2000-Present	Research in Nursing & Health
September 1995 -2005	Doody Publishing Company -- Book Reviewer

Professionally Related Services

2011-2012	American Heart Association Writing Group “Beyond Medications and Diet: Alternative Approaches to Lowering Blood Pressure.”
2010	Go Red for Women American Heart Association Chicago Annual Program Volunteer at Health Screening, February 2010
2003 - 2004	Sister to Sister, Everyone Has a Heart - Women’s Heart Health Executive Team
2001- Present	American Heart Association – Council on Cardiovascular Nursing
1998 - 1999	Walking for Wellness: Protecting Hearts and Saving Lives, American Heart Association & The National Black Women’s Health Project. Chairperson: Community Leaders Committee
1998 - 1999	Detroit Cardiovascular Health Coalition, Member
October 1998	Twenty-Eighth Annual Michigan Cardiovascular Research Forum Co-Chairperson: Special Clinical Presentation - Translating Evidence Based Guidelines Into Practice for Improved Patient Outcomes.
September 1995	Selected Participant: Cardiovascular Risk Factor Counseling American Heart Association
1994 - 1997	Member & Chairperson: American Heart Association - Metropolitan Chicago Program Council - Search Your Heart
1994 - 1997	Board Member Chairperson: American Heart Association North Cook Division Search Your Heart: Check Your Blood Pressure For Life!
1995 - 1996	Vice-President: Doctoral Student Organization, Rush University
1994 - 1995	Chairperson: The Annual Chicago Area Doctoral Forum
1993 - 1994	Chairperson/Volunteer Training: American Heart Association - First Annual Kids Triathlon
1993 - 1997	Graduate Representative: Senate Faculty Committee, Rush University

National and International Boards and Committees

2013-2015	Preventive Cardiology Nurses Association Abstract Committee
2010-2014	Council on Nutrition, Physical Activity and Metabolism - Physical Activity Committee– Liaison to Council on Cardiovascular Nursing American Heart Association
2007-2009	Governance Committee, Sigma Theta Tau, Gamma Phi Chapter
2005-2007	Governance Committee, Sigma Theta Tau, Gamma Phi Chapter
2003-2005	Chairperson Finance Committee, Sigma Theta Tau, Gamma Phi Chapter
2002-2003	First Counselor, Sigma Theta Tau, Gamma Phi Chapter
2001-2002	Second Counselor: Sigma Theta Tau, Gamma Phi Chapter
1994-1995	Chairperson Nominating Committee: Sigma Theta Tau, Gamma Phi Chapter

College and University Nursing Committees

2014-2017	College of Nursing Appointment and Promotions Committee Chair Elect 2014
2010-2011	College of Nursing Research Committee, Chair
2009-2012	College of Nursing Research Committee
2009-Present	Advisory Board for the Center for Clinical Research and Scholarship
2009- 2012	PNS EBP/Research Committee, Co-Chair
2007	Higher Learning Commission: Work Group 1a
2006	PhD 665 Research Seminar Series Task Force
2005-2006	University Committee for Research
2002-2006	Evaluation Committee
2003-2004	Evaluation Committee, Chairperson
2011-Present 2003-2007 2000	Faculty Advisory Committee Adult Health
2000-2002	Undergraduate Curriculum Committee
2001-2002	CAM Education Program for Nursing Undergraduate Task Force
1999-2006	College of Nursing Research Resource Review Panel

2000-2005 Convocation Committee

TEACHING

Spring 2014	Rush University Research and EBP NSG 523 web-based (29 students)
Fall 2013	Rush University Leadership in Evolving Healthcare Environments NSG 600 web-based (29 students)
Summer 2013	Rush University Research and EBP NSG 523 web-based (27 students)
Fall 2012	Rush University PhD Leadership NSG 689 web-based (6 students)
Fall 2012	Rush University Black Psychology and Health NSG 900 2hr Independent Study
Winter 2012	Rush University PhD Leadership NRS 662 web-based (7 students)
Winter 2011	Rush University PhD Leadership NRS 662 web-based (10 students)
Spring 2010	Rush University Study of Adult Social Policy NUR 900 3hr Independent Study
Spring 2010	Rush University Understanding Functional Outcomes Measurement NUR 900 1hr Independent Study
Winter 2010	Rush University PhD Leadership NRS 662 web-based (6 students)
Winter 2010	Contemporary Issues in Aging Research NUR 900 1 hr Independent Study
Fall 2009	Rush University Application of the Roy Adaptation Model (RAM) as the Conceptual Framework for a Research Study NUR 900 2hr Independent Study
Winter 2009	Rush University PhD Research Dissemination Seminar NUR 665c web-based (1 student)
Fall 2008	Rush University PhD Research Seminar NUR 665b web-based (1 student)
June-December 2008	Nurse Research Training Fellowship Program (3 Research Fellows) Rush North Shore Medical Center, Skokie Illinois 32 Continuing Education Credits
Winter 2008	Rush University PhD Research Dissemination Seminar NUR 665c web-based (3 students)

Summer 2007	Rush University PhD Seminar NUR 661 web-based (1 student)
Winter 2007	Rush University PhD Research Dissemination Seminar NUR 665c web-based (3 students)
Winter 2002	Rush University Biostatistics NUR 510 web-based (38 students)
Fall 2001	Rush University Beginning Statistics NSG 201W (1 student)
Spring 2001	Rush University Care of the Individual NSG 401 (62 students) Undergraduate Clinical NSG 401P (5 students)
Winter 2001	Rush University Pharmacology NSG 351 (68 students) Pharmacology NSG 351 web-based (5 students)
Fall 2000	Rush University Biostatistics NUR 510 web-based (15 students) Undergraduate Clinical NSG 301P (10 students)
Spring 2000	Rush University Care of the Individual NSG 401 (70 students) Undergraduate Clinical NSG 401P (7 students)
Winter 2000	Rush University Pharmacology NSG 351 (72 students) Pharmacology NSG 351 web-based (8 students)
December 1997- June 1999	Wayne State University-Department of Internal Medicine Cardiovascular Epidemiology and Clinical Applications Program Journal Club/Case Conference Presentations
September 1992- August 1997	Rush University Teaching Assistant Graduate Level Biostatistics
September 1993 - December 1995	Rush University Teaching Assistant - Graduate Level Advanced Physiology
March 1993 - October 1997	Rush University Teaching Assistant - Undergraduate Nursing Resource Lab
<i>Guest Lecturers</i>	
June 2004	AHN/MCN Research Forum Physical Activity Reduces Pressure Load Indices in African-American Women
January 2002	AHN/MCN Research Forum Mentored Patient-Oriented Research Training Grant Award

September 2001	Research Grand Rounds Panelist on News From New NIH Grantees (How I Did It)
August 2000	Summer Doctoral Seminar Series – ‘Life After Your DNSc’
May 1997	NUR 672: Research Design - Dissertation Research
May 1996	NUR 672: Research Design - Dissertation Research
April 1996	Pharmacology NUR 362 - Diuretics
January 1996	Pharmacology NUR 362 - Diuretics
September 1995	Primary Health Care Nurse Practitioners NUR 581C - Hypertension Management
September 1995	Ethics I Research HHV 505 - Ethical Issues in the Mentor/Student Research Relationship
July 1995	Role of the Advanced Clinician NUR 502 - Panel Discussion
April 1995	Role of the Advanced Clinician NUR 502 - Panel Discussion
January 1995	Pharmacology NUR 362 - Diuretics

Student Advising

Summer 2014 -	Jacqueline Nelson, DNP Advisor
Summer 2014-	Johanna Senyk, DNP Advisor
Summer 2013-Present	Michelle Bookout, DNP Advisor
Summer 2012 – 2014	Andrea Weber, DNP Advisor
Summer 2012 – 2014	Louann Bailey, DNP Advisor
Winter 2012 – Spring 2013	Divyani Sarkar ,Thesis Committee Member, Department of Clinical Nutrition
Winter 2012 – Fall 2013	Anne Anderson, DNP Advisor
Fall 2011 – 2013	Jeffrey Bevan, PhD ACRP Committee Member
Summer 2010 - Spring 2012	Nichole Sherman, DNP Advisor
Winter 2010-Fall 2011	Connie Vari, DNP Advisor
Fall 2009- Present	Julia Senn-Reeves, PhD Advisor
Fall 2008 – Present	Denise Bockwoldt, PhD Advisor
Winter 2008-Fall 2009	Mary Beck, DNP Advisor

Fall 2007-2008	Kristine Meyers, Thesis Committee Member, Department of Clinical Nutrition
Winter 2007-Fall 2008	Mary Ann Frietag, DNP Advisor
Spring 2006-Fall 2010	Deborah Gillum, PhD Advisor
Winter 2005-Spring 2009	Melanie Samardzija, PhD Clinical & Dissertation Committee Member
Winter 2004	Janice Tang, Research Hours for ANP
Summer 2003-2008	Deborah Erickson, PhD Dissertation Committee Member
Fall 2000-2005	Lola Coke, Advisor, PhD Clinical & Dissertation Committee Chairperson
Summer 2000-2002	Kathy Wirtz, DNSc Dissertation Committee Member
Summer 2000	Gia Crisanti, Research Hours for ANP

GRANT SUPPORT

February 2013	Using Technology to Promote a Healthy Lifestyle for Young African-American Women at Risk for Hypertension Connections for Cardiovascular HealthSM (CCH), a program of the AstraZeneca HealthCare Foundation: \$189,000 (not funded).
November 2012	An eHealth Lifestyle Program for Young African-American Women at Risk for Hypertension, Preventive Cardiology Nurses Association: \$4,000 (not funded).
December 2011	Using Technology to Promote a Healthy Lifestyle for Young African-American Women at Risk for Hypertension, Allen Foundation; \$50,960 (not funded).
November 2011-Present	An Health Lifestyle Program for Young African-American Women at Risk for Hypertension. College of Nursing; \$8,367.
October 2011	Using the Internet (eHealth) to Promote a Healthy Lifestyle for Young African-American Women at Risk for Hypertension, Verizon; 50,000 (not funded).
September 2011	Using the Internet (eHealth) to Promote a Healthy Lifestyle for Young African-American Women at Risk for Hypertension. Boehringer, Inc.; 10,000 (not funded).
July 2010	FIT African-American Women. Principal Investigator. Funding Agency: National Institute of Nursing Research; \$274,00. (scored, not funded)
June 2010	Determining Intervention Effectiveness for Delirium Prevention: Co-Investigator, Funding Agency: National Institute of Nursing Research. Margarete Lieb Zalon Principal Investigator (not funded).
October 2009	FIT African-American Women. Principal Investigator. Funding Agency: National Institute of Nursing Research; \$274,00 (not funded).
March 2010	Effects of Vitamin D Replacement on Blood Pressure in Hypertensive Women. Co-Investigator. Funding Agency: Alpha Phi Foundation Heart to Heart: \$50,000. Annabelle Volgman, MD Principal Investigator

September 2008	Cognition and Physical Activity Community Elderly Study (CAPACES). Co-Investigator. Funding Agency: Rush Pilot Program \$150,00. JoEllen Wilbur, PhD Principal Investigator
June 2007	<u>P</u> rehypertensions <u>R</u> elationship to <u>P</u> hysical <u>A</u> ctivity and <u>R</u> eduction in Weight in Young African-American Women (PREPARED Women). Principal Investigator, Funding Agency: National Institute of Nursing Research; \$2,154,173. (not funded)
June 2006	<u>P</u> rehypertensions <u>R</u> elationship to <u>P</u> hysical <u>A</u> ctivity and <u>R</u> eduction in Weight in Young African-American Women (PREPARED Women). Principal Investigator, Funding Agency: American Heart Association: \$130,000. (not funded)
January 2005	Enhancing Family Caregiver Physical Activity: Pilot Study. Interventionist, Funding Agency: Portes Center/Institute of Medicine of Chicago; \$30,000. Carol Farran, DNSc Prinicipal Investigator
July 2004	African-American Women's Response to Physical Activity. Principal Investigator. Funding Agency: American Heart Association Midwest Affiliate; \$130,000. (not funded)
September 2001-2005	African-American Women's Response to Physical Activity. Principal Investigator. Funding Agency: NIH-NINR K23 Training Award; \$298,357.
October 2001	Beeswax Policosanol for HIV-Related Dyslipidemia. Co-Investigator. Funding Agency: Rush University, College of Nursing Resource Review Fund; \$9928.00. (not funded)
October 1999	Endothelial Function and Hemodynamic Determinants of the Blood Pressure Response to Accumulated Physical Activity in African-American Women. Principal Investigator. Funding Agency: Rush University, College of Nursing Research Resource Review Fund; \$8312.00.
October 1998	Hemodynamic Determinants of the Blood Pressure Response to Accumulated Physical Activity in African-American Women. Co-Principal Investigator. Funding Agency: Harper Hospital Foundation Seed Grant; \$25,000.
1998	Sodium and Angiotensin Peptide Protocol [SAAP]: A Pilot Study. Co-Investigator. Funding Agency: Internal Funds; \$76,000.
July 1996	Physical Activity In Hypertensive, Post-menopausal Women. Principal Investigator. Funding Agency: American College of Sports Medicine Foundation Research Grant; \$5,000.
October 1995	Physical Activity In Hypertensive, Post-menopausal Women. Principal Investigator Funding Agency: American Nurses Foundation -- Wyeth-Ayerst Women's Health Institute Scholar; \$2,500.

Collaborative Research/Contractual Grants

1999	A Trial to Investigate the Comparative Efficacy and Safety of Nisoldipine and Amlodipine for the Treatment of Black Subjects with Hypertension (CESNA III). Co-Investigator. Funding Agency: Zeneca Pharmaceuticals.
------	--

1998	The Effect of Omapatrilat and Lisinopril in the Treatment of Mild to Moderate Hypertension in Salt-Sensitive Subjects. (Protocol CV137-017). Co-Investigator. Funding Agency: Bristol Myers Squibb Pharmaceutical Research Institute; \$89,881.
1998	A Multicenter, Randomized, Double-Blind, Lisinopril and Placebo Controlled Trial of the Antihypertensive Efficacy and Safety of Omapatrilat in Black Subjects with Mild to Moderate Hypertension. (Protocol CV137-037). Sub-Investigator. Funding Agency: Bristol Myers Squibb Pharmaceutical Research Institute; \$60,480.
1998	A 12 Week, Multicenter, Double-Blind, Parallel, Forced-Titration Study of Teveton at Doses of 600 mg and 1200 mg Given Once Daily and Enalapril. Sub-Investigator. Funding Agency: SmithKline Beecham Pharmaceuticals; \$85,500.
1998	Efficacy of Candesartan Cilexetil in Hypertensive Black Patients. A Double Blind, Randomized, Placebo Controlled, Parallel Group Design Study with Open Label, Long Term Extension. (Protocol 140). Sub-Investigator. Funding Agency; Astra Merck; \$60,000.
1998	A Multicenter, Double-Blind, Randomized, Parallel-Group, Placebo-Controlled Study to Investigate the Antihypertensive Efficacy and Safety of Losartan in African Americans with Mild-to-Moderate Hypertension (Protocol 172). Sub-Investigator. Funding Agency: Merck & Company; \$42,480.
1997	A Multicenter, 6 Week Randomized, Open-Label Parallel Arm Study Comparing the Efficacy of Once Daily Atorvastatin to Cerivastatin in Hypercholesterolemic Patients (Protocol 981-288). Research Coordinator. Funding Agency: Parke Davis.
1997	A Multicenter, Open-Label Expanded Use Study to Evaluate the Tolerability of Simvastatin 80 mg in Patients with Heterozygous Familial Hypercholesterolemia (Protocol 985-OA). Research Coordinator. Funding Agency: Merck & Company.
1997	Effects of Pravastatin Compared to Simvastatin and Placebo on Rheology, Thrombotic Parameters, Cytokines and Lipoproteins in a Hypercholesterolemic Cohort of Subjects 60 to 80 Years of Age (Protocol CV-123-164). Research Coordinator. Funding Agency: Bristol-Myers Squibb.
1996	Antihypertensive and Lipid-Lowering Treatment to Prevent Heart Attack Trial (ALLHAT). Research Coordinator. Funded Agency: National Heart Lung & Blood Institute.
1996	A Comparison of Oral Versus Transdermal Estrogen Replacement Therapies on Plasma Viscosity, Thrombotic Markers, and Lipoproteins. Research Coordinator. Funded Agency: Internal Funds, Rush-Presbyterian-St. Luke's Medical Center.
1996 - 1997	A Multicenter, Randomized, Parallel Group, 8 Week Comparative Dose Efficacy and Safety Study of Once Daily Atorvastatin with that of Lovastatin, Pravastatin, Simvastatin and Fluvastatin in Patients with Elevated LDL-Cholesterol (CURVES) (Protocol-981-86). Research Coordinator. Funding Agency: Parke-Davis.
1996 - 1997	A 6-Month, Open-Label Study to Evaluate the Long-Term Safety and Efficacy of Atorvastatin in Patients with Elevated LDL-Cholesterol (Protocol 981-108). Research Coordinator. Funding Agency: Parke-Davis.

- 1996 Cardiovascular Risk Factor Analysis in African Americans: Establishing Normal Curve for Contraves Low Shear 40 Microviscometer. Research Coordinator. Funding Agency: Leo Burnett, Chicago, IL.
- 1996 Three Month Variability of Fibrinogen Levels. Research Coordinator. Funding Agency: Internal Funds, Rush-Presbyterian-St. Luke's Medical Center.
- 1993 Detection of Myocardial Ischemia by Continuous Monitoring of Multiple Leads in Patients with Coronary Artery Disease. Research Assistant. Funding Agency: Association of Critical Care Nurse's.
- 1992 - 1993 Recurrence Quantifications for Analysis of Cardiac Arrhythmias. Research Assistant. Funding Agency: Internal Grant, Rush University
