Curriculum

All rotations begin on the first day of the month. The 48-month curriculum is divided as follows:

Anatomic Pathology Rotations:

- Autopsy Pathology (3 months)
- Cytopathology (3 months)
- Dermatopathology (3 months)
- Forensic Pathology (2 months)
- General Surgical Pathology (9 months)
- GI/Biopsy (1 month)
- GI/Ortho/Neuropathology (4 months)
- Gynecologic Pathology (3 months)
- Renal Pathology (elective)

Clinical Pathology Rotations:

- Blood Banking (3 months)
- Clinical Laboratory Core Rotation (5 months)
- Coagulation (1 month)
- Flow Cytometry (1 month)
- Hematopathology (3 months)
- Laboratory Management (2 months)
- Microbiology (3 months)
- Molecular Diagnostics and Cytogenetics (1 month)

Elective rotation (1 month): Residents may use their elective month for further experience in one of the core rotations or a subspecialty area at Rush or at another ACGME approved program.
