

## RESEARCH COMPLIANCE

### **Rush Learning Hub Online Training Module**

As of January 2021, a Rush specific tutorial titled “FCOI-Promoting Objectivity in Research 2020-2024” has been created in the new Rush Learning Hub. This tutorial covers Rush’s policy on Conflict of Interest (COI) and federal requirements on FCOI at 42 CFR Part 50 Subpart F, Promoting Objectivity in Research. The Learning Hub module cited below will take about 15 minutes to complete.

**This mandatory online training is renewable every 4 years.** Instructions on this process are listed below.

### **Accessing the FCOI Training Module on the Rush Learning Hub**

To access the module:

1. Requesters should log into [learninghub.rush.edu](https://learninghub.rush.edu) and in the search box at the top of the page enter the title of the FCOI module, [FCOI-Promoting Objectivity](#)
2. Click on “Launch”.
3. You will then be able to complete the requirement.
4. Users must pass the test at the end of the module with a score of 80 percent or higher to fulfill training requirements.
5. ***Store your training completion date for future reference and provide proof of completion to the Sponsored Program Administration (SPA) and Conflict of Interest (COI) Offices.***

If you have any questions, contact the Conflict of Interest Office.
