To: Rush University Students  
Subj: Students: COVID-19 Screening & Exposure Instructions

**If you believe you've been exposed to novel coronavirus or are presenting symptoms:**

1. Download the MyRush mobile app on iOS or Android.

2. Log in to the MyRush app.
3. Select **Virtual Care**.
4. Select **On-Demand Video Visits** and confirm your location.
5. When asked, "**What brings you here today?**" scroll to the bottom of the list of options to choose **Concern for Novel Coronavirus** as the reason for your visit.

**If you test positive for novel coronavirus:**

1. Follow instructions provided to you from Infection Control.
2. Contact your program director immediately.

Visit the [Health](#) page on the Rush University COVID-19 website for more information.
