# COVID-19 Update

To: All Rush University  
Subj: Launch of COVID-19 Science Website

As students, faculty and staff rally around Rush's system-wide efforts to address new and emerging cases of coronavirus disease 2019 (COVID-19), we are providing a central resource for up-to-date scientific evidence and scientific research. Here the Rush community and others can access up-to-date information about ongoing COVID-19 research efforts, and useful resources for those interested in becoming involved in research activities.

The [COVID-19 Science webpage](#) includes:

## Live Pandemic Dashboards

- Real-time data from trusted sources across the world

## Literature

- A curated selection of sources for COVID-19 published scientific evidence, including systematic review

## Research (updated daily)

- COVID Clinical Trials at Rush (IRB approved)
- COVID Non-Clinical Trials at Rush (IRB approved)
- COVID Research around the world
- COVID Funding opportunities
