Microsoft Teams Quick Guide
Chats, calls, groups & meetings for today’s Teams

Welcome to Microsoft Teams, the chat-based workspace in Office 365 that makes it easy to have conversations, host meetings, share files and collaborate on documents, and get work done with teams across the Rush organization.

Teams lets you work in a natural, conversational way — with everything you need in one place — available anytime, on any device. You already have access to Microsoft Teams as part of Office 365. We’re confident you’ll love working in Teams.

Let’s Get Started!

1. Sign in to Microsoft Teams
   Go to https://teams.microsoft.com and sign in with your Rush email and single sign password account.
   Or, you can login at Office.com, click Sign In and enter your Rush email and single sign on password.

2. Bring your Team together
   A team is a collection of people, conversations, files, and tools — all in one place.
   A channel is a discussion in a team, dedicated to a department, project, or topic.
   The best way to get familiar with teams and channels is to pick a team and channel and start exploring!
   Click the box to watch the video to see what Microsoft Teams can do for you and your Rush teams.

   Discover how to create or join a Team. How to start or join a channel, chat with coworkers one-on-one or as a group.

   1. Select Teams 🗂️ on the left side of the Teams window and then pick a team.
      If you’re not on a team and want to create one, see Onboard your teams.

   2. Select a channel and explore the Conversations, Files, and other tabs.
      For more information, see Teams and channels.
3. Start a conversation and collaborate

When you have a new topic or idea to introduce to the team, you can start a new conversation. Collaborate with your team by sharing project documents and use chat to start an instant conversation. Or have fun with an emoji or meme in conversations.
