

# Get Closer to MCAT/DAT Success

In partnership with Kaplan, we offer our students additional recourses to plan and prepare for the MCAT and DAT exams.

## Kaplan offerings include:

- **2900+** question Adaptive QBank with test-like items
- **11** Kaplan Full-Lengths
- **16** Section Tests
- **90+** Hours of Opt-In Live Instruction (MCAT Channel)
- **130** MCAT Science Review Videos
- **36** Hours live in person or online (12 core sessions) per class
- **7-Book** MCAT Series our award-winning comprehensive review
- **All AAMC Resources** including 4 full-length oficial practice tests, question packs, and flashcards
- Placement Quizzes personalize assignments to your areas of opportunity for improvement
- Instructor available to help with your individual needs both live in class and via email outside of class all the way through test day

**For inquiries,** please feel free to reach out to Sina Safayi, DVM, PhD, director of career development and industry outreach, at [Sina\\_Safayi@rush.edu](mailto:Sina_Safayi@rush.edu).
