COSFAP Policies and Procedures

Susan Chubinskaya, PhD

Vice Provost for Faculty Affairs
COSFAP Function

- Does not review junior rank appointments. Junior rank appointments/promotions are reviewed and approved by Faculty Council and Provost.

- For promotion/appointment/re-appointment as instructor or Assistant Professor the chair should submit the letter requesting this appointment/re-appointment/promotion along with faculty CV to the dean providing justification, term, and effective date.
COSFAP Function

• Does not review junior rank appointments. Junior rank appointments/promotions are reviewed and approved by Faculty Council and Provost.

• Reviews nominations from department Chairs for appointment or promotion of an individual to senior faculty rank
  - Associate Professor
  - Professor

• Upon COSFAP approval all new appointments and promotions will be approved by the Dean, Faculty Council & Provost.
Appointments to senior faculty rank at other institutions may be considered in assessing a proposed faculty appointment, but will not be the sole determinant in recommending a specific faculty rank.

New: Requirements for lateral appointments from another institution are simplified and require only the chair’s letter and CV.
Timeline of the process

**Assistant Professor**

- Minimum 5 years
- Initiation
- Solicitation of letters
- Work towards next step
- Package submission Fac Affairs Office
- COSFAP Review & Approval
- Faculty Council Review & Approval
- Dean/Provost letters of appointments

**Associate Professor**

- Minimum 5 years
- Initiation
- Package submission Fac Affairs Office
- COSFAP Review & Approval
- Faculty Council Review & Approval
- Dean/Provost letters of appointments

**Professor**

- Minimum 5 years
Promotions are not granted simply as a consequence of time in service

- Start thinking about the next step as soon as you get promoted to Assistant or Associate Professor. Preparation for the next step is a continuous process

- **One of the most important thing for promotion to Associate Professor or Professor is to demonstrate what you have done since your last promotion!!!**

- Discuss your level of preparedness REGULARLY and AT LEAST during annual reviews with your chairperson/supervisor

- Consider additional professional and leadership development opportunities that can help with the next career move
RMC: 1 track, 4 areas of excellence

- Education
- Research
- Clinical excellence
- Service
  • Administrative
  • Leadership
  • Community
  • Global, etc

Details are provided in college-specific COSFAP guidelines: https://www.rushu.rush.edu/about/faculty-affairs/faculty-development/faculty-awards/faculty-promotion-toolkits

New: All candidates for senior faculty promotion, regardless of chosen criteria, are expected to demonstrate evidence of scholarly productivity
Associate Professor

- Advanced **doctoral** graduate degree
- 5 yrs since last promotion
- Superior performance in at least **Two** areas:
  - Education
  - Research
  - Clinical excellence
  - Service
- **Local/Regional recognition** in chosen areas of expertise
- Professionalism/ICARE values

Full Professor

- Advanced **doctoral** graduate degree
- 5 yrs since last promotion
- Superior performance in at least **Three** areas:
  - Education
  - Research
  - Clinical excellence
  - Service
- **National/International recognition** in chosen areas of expertise
- Professionalism/ICARE values
Education

Evaluated based on:
- Quality
- Quantity
- Innovation
- Creativity
- Evidence of leadership in education
- **Scholarly work is required!**

Documentation:
- Quantitative
- Qualitative
- **Demonstrated impact**
- Derived work product

= CV

Components of the packets
Examples of educational excellence

- Creation of educational exercise(s) that serve(s) as a model for other institutions
- Teaching via classroom didactics/lectures/educational sessions/medical rounds/simulation courses/bedside teaching
- Development/directorship of programs, courses, classes, or clerkships
- **Mentorship:** students/residents/fellows/trainees/peers
- Educational awards
- Visiting professorships at other academic institutions
- Invitation for educational lectureships/workshops
- Scholarly work in textbooks, review monographs, or reviews published in peer review journals re: educational work or educational research
- Development and/or execution of web based educational forums
- Publication of original papers in peer review journals re: education
- Development of novel educational resources
- Outline of achievements of former trainees and mentees
- Membership in national, international, or inter-institutional educational activities and educational societies
- **Interprofessional education** of students, trainees, mentees, or peers through course work, seminars, professional society meetings, lectures, etc.
- Original educational research supported by intramural or extramural funding
Research excellence is evaluated based on:

- Demonstration of proven record of creative, high quality, significant work
- Independence of research accomplishments
- Continuous extramural funding to support independent research activities
- Patent and/or development of new or novel technology.
- Evidence of mentorship of trainees (students, residents, fellows, colleagues, post-doctoral students) and the types of projects, activities, research projects in which mentoring occurred.
- Lectures and presentations to educate students, colleagues, peers, etc. on one’s research endeavors
- Peer-reviewed scholarly products

Could be All types of Research:
- bench
- clinical
- educational
- population health/epidemiological
- ...

Hey Jane! Let’s go and play Research!!

What is Research??

My Papa said it’s what they do in laboratories to make lots of money!!
Research Scholarship

• Activity in professional societies: elected positions
• Elections to prestigious scientific societies via peer-review process
• Appointments as editor, reviewer, and referee
• Consulting activity
• Research funding
• Patents, procedures and methods
• Publications – peer-reviewed articles & book chapters, peer-reviewed abstracts
  • Your contribution, significance of work and publication impact factor
• Presentation of scholarly papers: invited, keynote, podium, posters at international, national, and regional conferences/symposiums, seminars
• Extramural review courses: taught, directed, developed

Note regarding electronic publishing:

Burden of demonstrating quality and significance (judged by some criteria) is on you
Faculty who are put forth for promotion under clinical excellence will be evaluated on the QUALITY and IMPACT of their clinical service and its accompanying CONTRIBUTIONS to advance health care quality, delivery, safety, and outcomes.

- Clinical Innovations
- Safety/Quality improvements
- Clinical Practice
- Development of New Line of Patient Care/Clinic
- Clinical Research/Clinical trials

Clinical Scholarship-Development of:
- institutional guidelines and/or protocols
- quality improvement protocols
- safety guidelines, etc....
Clinical Scholarship (Cont)

Participation in Leadership projects

- Decrease:
  - infection rates
  - readmission rates
  - expenditures while improving care
  - adverse patient care events

- Improve:
  - family centered care
  - through-put
  - resource utilization
  - patient satisfaction
  - discharge processes
  - provider/patient communication
  - follow-up rates
  - patient compliance
  - clinical treatment success rates
  - adverse patient care events
  - outpatient management of patients and/or their families

- Safely integrate technology into health care
- Introduce, apply, or evaluate new or existing clinical devices, procedures, and/or treatments that improve patient care and/or outcomes
- Develop and/or implement new or unique patient care models that significantly impact quality care and/or outcomes
- Deliver clinical work in the community or globally (free clinics, charity care, international health) that impacts community engagement, care, etc.
- Facilitate and/or create organized and thoughtful approaches to interdisciplinary / multidisciplinary care improve upon and provide quality care and outcomes

- Facilitate timely care
Activities not directly related to teaching, research, or patient care...

You know what it is when you see it!

Examples:

- Leadership
- Management
- Committees
- Task forces
- Lay education
- Community incl. Global health
- Prof. organizations
- Faculty Service
Examples of excellence in service

- Leadership in planning and/or developing programs and policy at RMC, RU, RUMC
- Leadership in planning and/or developing critical strategy and/or infrastructure (divisions, departments, sections, care units, etc.) essential to the growth and success of RMC, RU, RUMC
