

## CURRICULUM VITAE

### **Piper E. Hansen, OTD, OTR/L, BCPR**

#### EDUCATION

OTD, Occupational Therapy, University of Illinois at Chicago, 2015

Doctoral Project: Promoting the Administration of the Canadian Occupational Performance Measure and Participation Based Goal Setting During Inpatient Stroke Rehabilitation using a Knowledge Translation Framework

Committee: Dr. Joy Hammel (chair), Dr. Susan Magasi, and Dr. Jennifer Moore

MS, Disability and Human Development, University of Illinois at Chicago, 2011

Master Thesis: Caregiver Training for Individuals with Spinal Cord Injury to Decrease Institutionalism and Promote Satisfaction and Independence: A Mixed Method Study Design

Committee: Dr. Jennifer Rowland (chair), Dr. James Rimmer, and Kim Muir MS, OTR/L

Masters Certificate, Management in Non-Profit Organizational Leadership, University of Illinois at Chicago, 2011

BS, Occupational Therapy, University of Wisconsin-Madison, 2004

- Recipient of a Kinesiology Department Scholarship Award
- Phi Sigma Theta-National Honor Society member

#### ACADEMIC WORK EXPERIENCE

Assistant Professor and Academic Fieldwork Coordinator, Rush University, January 2022-present

#### **Entry Level Doctoral Program**

- OCC 617 Clinical Practice Skills/IA Fieldwork, **Course Instructor**
- OCC 618 Clinical Practice Skills/IB Fieldwork, **Course Instructor**
- OCC 795 Advanced Fieldwork I, **Course Instructor**
- OCC 797 Advanced Fieldwork II, **Course Instructor**

Clinical Assistant Professor and Academic Fieldwork Coordinator, Department of Occupational Therapy, University of Illinois at Chicago, August 2019-December 2021

### **Entry Level Doctoral Program**

- OT 632 Occupational Performance and Participation: Outcomes and Interventions 3, **Course Coordinator and Instructor**
- OT 605 Professional Development and Leadership, **Guest Lecturer**
- OT 615 Professional Development and Leadership, **Guest Lecturer**
- OT 635 Professional Development and Leadership, **Guest Lecturer**
- OT 645 Professional Development and Leadership, **Guest Lecturer**
- OT 604 IA Fieldwork, **Course Instructor**
- OT 629 IB Fieldwork, **Course Instructor**
- OT 647 IC Fieldwork, **Course Instructor**
- OT 648 ID Fieldwork, **Course Instructor**
- OT 649 IIA Fieldwork, **Course Instructor**
- OT 669 IIB Fieldwork, **Course Instructor**

### **Entry Level Masters Program**

- OT 526 Technology and the Environment, **Course Coordinator and Instructor**
- OT 522 Occupational Therapy Practice: Functional Movement and Mobility, **Lead Instructor**
- OT 555 Synthesis III, **Guest Lecturer**
- OT 529 IB Fieldwork, **Course Instructor**
- OT 539 IC Fieldwork, **Course Instructor**
- OT 548 IIA Fieldwork, **Course Instructor**
- OT 549 IIB Fieldwork, **Course Instructor**

Instructor and Research Advisor, Department of Occupational Therapy (MS and OTD Programs), Rush University, 2015-2021

- OCC 617 Clinical Practice Skills **Lecturer, Lab Assistant, and Practicum Evaluator (2015-2021)**
- OCC 505 Clinical Foundation Skills: Body Mechanics and Transfers, **Lecturer, Lab Leader, and Practicum Evaluator**
- OCC 513 Interventions for Patients with Neurological Conditions: Mobile Arm Support and Spinal Cord Injury Transfer Lab, **Lecturer and Lab Rotation Leader**
- OCC 516 Fieldwork Interventions I, OCC 517 Fieldwork Interventions II, OCC 617 Clinical Practice Skills: Thermal and Electrical Modalities, **Co-Lecturer and Practicum Evaluator**

Adjunct Clinical Faculty, Department of Occupational Therapy (MS Program), Rush University, 2012-2015

- OCC 516 Fieldwork Interventions I, OCC 517 Fieldwork Interventions II: Thermal and Electrical Modalities, **Lecturer, Lab Assistant, and Practicum Evaluator** (2012-2015)
- OCC 511 Interventions I: Documenting OT Services, **Guest Lecturer** (2014)
- OCC 517 Interventions II Fieldwork, **Course Instructor** (2012)
- OCC 506 Medical Conditions Seminar, **Course Instructor** (2012)

Adjunct Clinical Instructor, Department of Occupational Therapy, University of Illinois at Chicago, 2012-2019

- OT 522 Functional Movement and Mobility, **Co-Instructor** (2019-)
- OT 555 Synthesis III, **Guest Lecturer and Case Facilitator** (2016-2019)
- OT 526 Technology and the Environment, **Course Instructor** (2015-)
- OT 526 Technology and the Environment, **Co-Instructor** (2013-2015)
- OT 522 Functional Movement and Mobility: Rheumatoid Arthritis, Shoulder Management, Upper Extremity Motor Assessments, Splinting, and CVA Intervention lab, **Lecturer, Lab Rotation Leader, and Assignment Evaluation** (2014-2015)
- OT 512 Human Function and Structure: Hand and Upper Extremity Evaluation **Lab Assistant** (2013-2015)
- OT 510 Research Methods in Occupational Therapy: **Clinical Practice Project Mentor** (beginning 2011)
- PT 624 Neuromuscular Dysfunction: Vision, Perception, and Cognition/Behavior and Communication, Upper Extremity Interventions after Stroke, & Hemiplegic Shoulder Management, **Guest Lecturer and Lab Assistant** (2013)

### CLINICAL WORK EXPERIENCE

|                        |  |   |
|------------------------|--|---|
| August 2019-Present    | Registry Practice Leader, Occupational Therapist, Research Therapist, & AOTA Fellowship Program Site Coordinator<br><br>Co-Site Coordinator (beginning 2022) | Staff Development, Shirley Ryan Abilitylab (SRAlab), (Formerly the Rehabilitation Institute of Chicago (RIC)), Chicago, IL, |
| March 2013-August 2019 | Clinical Practice Leader, Staff Development  | SRAlab, Chicago, IL   |
| May-August 2019        | Interim Associate Director, Staff Development  | SRAlab, Chicago, IL   |
| March 2013-            | Clinical Fieldwork Coordinator   | SRAlab, Chicago,  |

|                   |   |   |
|-------------------|---|---|
| August 2019       |   | IL  |
| 2018-Present      | AOTA Fellowship Program Site Coordinator  | SRAlab, Chicago, IL                           |
| March-August 2010 | Interim Clinical Manager of Allied Health Interdisciplinary Team, Spinal Cord Injury Program  | RIC, Chicago, IL                              |
| 2005-2019         | Occupational Therapist <ul style="list-style-type: none"><li>- Float Team 2014-2019</li><li>- Patient Neuro-Recovery Program 2011-2014</li><li>- Spinal Cord Injury Program 2005-2011</li><li>- Pediatric Rotation <i>January-April 2006 and June-July 2007</i></li></ul> | RIC/SRAlab, Chicago IL                        |
| 2011              | Per Diem Home Healthcare Occupational Therapist   | Essential Preventative Healthcare Chicago, IL |
| 2003-2004         | Line Therapist  | Integrated Development Services, Madison, WI  |

#### PEER-REVIEWED PROFESSIONAL PRESENTATIONS

November 2022    Poster: Assessing Bilateral Upper Extremity Integration using the Bilateral Task Assessment. ACRM Conference. Chicago, IL  
(**Hansen, P.** & Bodine, A.)

September  
2022             Poster: Knowledge Translation Case Study: Maximizing the use of Occupation-Based Assessment in Physical Rehabilitation. WFOT Conference. Paris, France. (Hahn, B., Fischer, H., **Hansen, P.**, & Kottrop, A.)

August 2022    Short Oral Presentation: Innovative Educational Strategies to Increase the use of the Canadian Occupational Performance Measure in Inpatient Stroke Rehabilitation. WFOT Conference. Paris, France.

August 2022    Poster: Implementation Strategies to Increase Knowledge and Use of the Canadian Occupational Performance Measure using the Knowledge to Action Framework and the Influence of Practice Style. WFOT Conference. Paris, France.

- April 2022      Poster: Developing Clinical Competency in Upper Extremity Serial Casting: A Formalized Mentoring Program Model. AOTA Inspire 2021. San Antonio, TX. (**Hansen, P.** Watters, K. & Spoeri, S.)
- April 2022      Poster: Successfully implementing the collaborative fieldwork model in the acute care setting. AOTA Inspire 2021. San Antonio, TX. (**Hansen, P.** & Becker, C).
- April 2021      Scientific Panel: Examining the association between states of consciousness and the coma recovery scale-revised: A rasch analysis. AOTA Inspire 2021. Contributing author with Weaver, J., Mallinson, T., Cogan, A., Guernon, A., and O-Brien, K.
- April 2021      Poster accepted but not presented: An Exploration of Interdisciplinary Clinical Assessment Practice Patterns in Inpatient Stroke Rehabilitation. AOTA Inspire 2021.
- February 2021      Poster: Re-Envisioning Interprofessional Team Conference during Inpatient Rehabilitation Poster presented at the 2021 Combined Sections Meeting (Deom, C., Taylor, S., Doyle, L., Carpenter, J., **Hansen, P.**)
- October 2020      Poster: Implementation strategies to increased knowledge and use of the Canadian Occupational Performance Measure using the knowledge to action framework. Presented in an online format at the AOTA Education Summit.
- October 2020      Short Course: ILOTA Fieldwork collaborative model presentation presented online at the ILOTA Annual Conference. Contributing author and presenter with the IL Fieldwork Consortium.
- October 2020      Poster: The Coma Recovery Scale-Revised: A Rasch Regression Poster was presented in an online format at the ACRM 2020 Annual Conference. Contributing author with Weaver, J., Mallinson, T., Cogan, A., Guernon, A., and O-Brien, K.
- October 2020      Institute: Panelist for IC11: Integrating Patient Reported Outcomes (PRO) in Rehabilitation Clinical Practice presented in an online format for the ACRM 2020 Annual Conference.
- October 2020      Poster: An Exploration of Interprofessional Assessment Practice Patterns in Inpatient Stroke Rehabilitation. Poster was presented in an online format at the ACRM 2020 Annual Conference.
- October 2020      Symposium: Re-Envisioning Interprofessional Team Conference During Inpatient Rehabilitation, has been accepted for presentation at the ACRM 2020 Annual Conference, 21-24 October in Atlanta

- and presented in an online format. (Carpenter, J., Deom, C., & **Hansen, P.**)
- October 2020 Short Course: Re-Envisioning Interprofessional Team Conference During Inpatient Rehabilitation, has been accepted for presentation at the ACRM 2020 Annual Conference, 21-24 October in Atlanta. (Carpenter, J., Deom, C., & **Hansen, P.**)
- June 2020 Poster accepted for presentation: Promoting Evidence-Based Practice: The Influence of Structural Disruption to Accelerate Translational Medicine. Academy Health Annual Research Meeting. Boston, MA. (Rafferty, M.R., Stoff, L.S., Heinemann, A.W., Smith, J.D., Brown, C.H., **Hansen, P.**, O'Donnell, L., Lieber, R.)
- April 2020 Poster accepted for presentation: Adapting a patient engagement intervention for spinal cord injury rehabilitation: Modifying Enhanced Medical Rehabilitation to address social determinants of health. National Collaborative to Address Social Determinants of Health Annual Conference, Chicago, IL, USA. (Walsh, R., McKay, V., Barco, P., **Hansen, P.**, Jones, K., Lee, Y., & Wong, A.)
- March 2020 Poster presented for presentation: Developing clinical competency in upper extremity serial casting: A formalized mentoring program model. American Occupational Therapy Association annual conference, Boston, MA, USA. (**Hansen, P.** & Spoeri, S.)
- March 2020 Poster presented for presentation: An exploration of interdisciplinary clinical assessment practice patterns in inpatient stroke rehabilitation. American Occupational Therapy Association annual conference, Boston, MA, USA. (**Hansen, P.**, Rowe, C., Cucuras, E., & Zuba, J.; co-presenters were graduate students).
- March 2020 Poster presented for presentation: Understanding patient engagement in spinal cord injury rehabilitation and therapists' use of communicative and relational strategies, American Occupational Therapy Association annual conference, Boston, MA, USA. (Walsh, R. J., Papadimitriou, C., **Hansen, P.**, Barco, P., McKay, V., Lenze, E., Lee, Y., Jones, K., Heinemann, A. W., & Wong, A. W. K.)
- February 2020 Poster: Researcher-stakeholder collaboration to adapt a patient engagement intervention for spinal cord injury rehabilitation. Patient Safety & Quality Symposium, St. Louis, MO, USA. (Walsh, R. J., Papadimitriou, C., **Hansen, P.**, Barco, P., McKay, V., Lenze,

- E., Lee, Y., Jones, K., Heinemann, A. W., & Wong, A. W. K.)
- December 2019 Poster: Implementing Enhanced Medical Rehabilitation in Spinal Cord Injury Rehabilitation: Adaptations from a Community Advisory Board and Research Team Collaboration D&I Conference (Walsh, R., **Hansen, P.**,..., & Wong, A.)
- October 2019 Symposium: Integrating Research into Clinical Settings: A New Model of Interdisciplinary Rehabilitation. ACRM Conference in Chicago, IL, USA. (**Hansen, P.**, Carpenter, J., Bodine, A., Sliwa, J.)
- April 2019 Research Poster: Harnessing Standardized Assessment and Technology to Enhance Interdisciplinary Team Conference in an Inpatient Setting. American Occupational Therapy Association annual conference, New Orleans, LA, USA.
- April 2019 Breaking Barriers to Utilization of the Assessment of Motor and Process Skills. AOTA annual conference, New Orleans, LA, USA. (Hahn, B., Fischer, H., **Hansen, P.**, Kottorp, A.) (first author was doctoral mentee)
- September 2018 Breaking Barriers to Utilization of the Assessment of Motor and Process Skills. ILOTA annual conference, Naperville, IL, USA. (Hahn, B., Fischer, H., **Hansen, P.**, Kottorp, A.) (first author was doctoral mentee)
- September 2018 Research Oral Presentation: Harnessing Standardized Assessment in Inpatient Rehabilitation to Demonstrate the Distinct Value of Occupational Therapy. University of Wisconsin-Madison 75<sup>th</sup> Anniversary Research Symposium, Madison, WI, USA.
- July 2018 Research Poster and Oral Presentation: Harnessing Standardized Assessment and Technology to Enhance Interdisciplinary Team Conference in an Inpatient Setting. KT Summer Institute, Toronto, CA.
- April 2018 Short Course Presentation: Application of Evidence-Based Positive Psychology Strategies to Address Emotional and Psychological Concerns of Adults Post-Stroke. AOTA annual conference, Salt Lake City, UT, USA. (Januszewski, C. & **Hansen, P.**)
- October 2017 Symposium: Integrating Research into Clinical Settings: A New Model of Interdisciplinary Rehabilitation. ACRM annual conference, Atlanta, GA, USA. (Rafferty, M., **Hansen, P.**, Lieber, R., Heinemann, A. W., Sliwa, J.)

- March 2017 Scientific Poster: Improving the Efficiency of Action Research Arm Test Administration Through Item Response Theory. AOTA annual/centennial conference, Philadelphia, PA, USA. (**Hansen, P.**, Chih-Hung Chang, C.H., Bodine, A.)
- April 2017 Scientific Poster: Supervision of Occupational Therapy Level II Fieldwork Students: Impact on and Predictors of Clinician Time Spent at Work. AOTA annual/centennial conference, Philadelphia, PA, USA. (Ozelie, R. & **Hansen, P.**)
- November 2016 Symposium: Bridging Clinical Practice and Research to Improve Value in Rehabilitation Medicine. Co-presenter with Dr. Carmen Capo-Lugo, Dr. Daniel Pinto, and Richard Cunningham, PT. Symposia presented at the 93<sup>rd</sup> ACRM annual conference, Chicago IL, USA.
- November 2016 Oral Seminar: Selection & Pilot of a Core Battery of Standardized Assessments for Inpatient Rehabilitation. Contributing author with Oral seminar session presented at the ASHA Annual Convention, Philadelphia, PA, USA. (Carpenter, J., Hansen, P., Moore, J., Holleran, C., Ellison, J., Chih-Hung Chang)
- February 2016 Platform: Selection and Pilot of a Core Assessment Battery for Inpatient Rehabilitation. Contributing author with Jennifer Moore, Carey Holleran, Chih-Hung Chang, Jana Ellison, Julia Carpenter, Christopher Gruber, James Sliwa.
- November 2015 Research Platform: Efficacy of Visual Interventions for Homonymous Hemianopsia. Contributing author with presenters Sophia Anagnos, B.A., Kathryn Duke, M.A., and Jocelyn Knight, B.S. Research Platform presented at the ILOTA annual conference, St. Charles, IL, USA.
- April 2015 Scientific Poster: Afferent Stimulation via Glove Electrode with Task Specific Training Improves Function and Activity in Chronic Stroke. Scientific poster presented at the AOTA annual conference, USA
- April 2015 Scientific Poster: Feasibility of the Patient Reported Outcomes Measurement Information System after Stroke Enhances OT Practice. Scientific poster presented at the AOTA annual conference, April 2015.

- April 2014      Poster: The Time Has Come: Outcome Measure in OT. Primary presenter with co-presenter Susan Spoeri, MS, OTR/L. Poster presented at the AOTA annual conference,
- April 2014      Research in Progress Poster: Sensory Level Electrical Stimulation: Translating Literature to Acute, Neurological Populations. Research In Progress poster presented at the AOTA annual conference,
- February 2014      Poster: Sensory Amplitude Electrical Stimulation via Glove Electrode During Task Based Exercise Improves Upper Extremity Function in Individuals with Chronic Stroke: A Pilot Study. Co-presenter with Jane Sullivan, DHS, PT, Melissa Girardi, DPT, PT, Melissa Hensley, DPT, PT, Jordan Rohaus, DPT, PT, Clay Schewe, DPT, PT, Colby Whittey, DPT, PT, Kim Muir, MS, OTR/L. Poster presented at the PT Combined Sections Meeting.
- October 2014      Poster: The Time Has Come: Implementing a Standardized Outcome Measure Battery. Poster presented at the ILOTA state conference.
- May 2013      Scientific Poster: Manual Wheelchair Skills and Association with Societal Participation: Findings from the SCIREhab Project. Co-presenter with Sally Taylor, PT, Julie Gassaway, RN, MS, Allen Heinemann, PhD, Allan J. Kozlowski, PT, PhD, Jason Barbas, MS, PT. Scientific poster presented at the ASIA annual conference, Chicago, IL, USA.
- April 2012      Short Course: Creating a Successful Return to Rehabilitation for Persons with Spinal Cord Injury. Primary presenter with co-presenter Kelly Breen, MS, OTR/L. Short course presented at the AOTA annual conference, Indianapolis, IN, USA.
- October 2011      Presentation: Promoting the Integration of Evidence Based Practice: BRAIN. 33<sup>rd</sup> annual model systems spinal cord injury leadership forum.
- April 2011      Caregiver Training and Promotion of Independence. Poster presented at the AOTA annual conference, Philadelphia, PA, USA.
- April 2009      Poster: Peer Mentors: Our Rehab Allies. Poster presented at the AOTA Annual Conference, Houston, TX, USA.
- September 2006      Short Course: Upper Extremity Orthotic Interventions for Persons with Tetraplegia. Co-presenter, Rebecca Ozelie, DHS, OTR/L.

Short course presented at the ILOTA state conference, Springfield, IL, USA.

INVITED PRESENTATIONS

| June 2020                   | Spinal Cord Injury Small Group Discussion. SRALab, Chicago, IL, USA. Small group facilitator. June 5, 2020.   |
| June 2020                   | Administering the International Neurological Standards Spinal Cord Injury. SRALab, Chicago, IL, USA. Co-presenter on June 4, 2020.  |
| March 2020                  | Building Fall Prevention Skills Among Wheelchair and Scooter Users: Challenges and Solutions. Scholarship of Practice University of Illinois at Chicago, Chicago, IL, USA. Postponed due to COVID-19.                     |
| November                    | Laboratory Instructor: UE Course FES SRALab, Chicago IL, USA  |

- 2019 (Sullivan, J.E., Hansen, P., Breen, K.)
- October 2019 The Influence of Knowledge Translation Strategies on Canadian Occupational Performance Measure Use During Inpatient Stroke Rehabilitation. Center on Knowledge Translation for Disability and Rehabilitation Research 2019 KT Online Conference. Presenter.
- June 2019 Administering the International Standards for the Neurological Classification of Spinal Cord Injury: Beginner Workshop. Shirley Ryan Abilitylab, Chicago, IL. Workshop co-instructor. *June 6, 2019.*
- November 9-10, 2018 Administering the Fugl Meyer Assessment Workshop & NMES/FES Application for the UE Workshop. Shirley Ryan Abilitylab, Chicago, IL. Workshop co-instructor. *November 9-10, 2018.*
- February 15, 2018. Fostering Reach: Strengthening the Scapula. Workshop. Shirley Ryan Abilitylab, Chicago, IL. Workshop co-instructor.
- June 2018 Harnessing Standardized Assessment and Technology to Enhance Interdisciplinary Team Conference in an Inpatient Setting. Poster presented at the 2018 KT Institute in Toronto, CA.
- June 2018 Enhancing Interdisciplinary Team Conference in an Inpatient Setting. Presentation presented at the 2018 KT Institute in Toronto, CA.
- 2017 & 2019 Adaptive Cooking and Healthy Recipe Demonstration. Workshop co-instructor. Shirley Ryan Abilitylab, Chicago, IL. Aphasia Day
- October 20-21, 2017 Clinical Application of Functional Electrical Stimulation for the Upper Extremity: Applying Evidence to Practice for Occupational Therapy. Nova Scotia Health Authority, Instructor. Halifax, Nova Scotia.
- July 2016 Electrical Stimulation to Enhance Arm and Hand Function. Workshop. Rehabilitation Institute of Chicago. Workshop Instructor.
- May 2013, November 2016 Overview of Test and Measures Relevant to the Neurological Upper Extremity. Presentation and workshop. Rehabilitation Institute of Chicago. Workshop Instructor.
- June 2013-2015. Shocking Truths: Incorporating Electrical Stimulation in Spinal Cord Injury Rehabilitation. Presentation and workshop. Rehabilitation Institute of Chicago Annual Spinal Cord Injury Conference. Co-instructor with Amanda Myron.
- April 12, 2013 and September Research Integration into the Clinic: Advancing the Ability of Patient in Acute rehabilitation. Invited presentation and continuing education

- 12, 2013, course. Co-instructor with Ela Lewis, PT. Chicago, IL & Northbrook, IL.
- November 2014 Thermal Modalities for OT Rehabilitation. Presentation and workshop. Rehabilitation Institute of Chicago..
- November 2013-2015 Management Strategies for Hemiplegic Shoulder Pain. Presentation and workshop. Rehabilitation Institute of Chicago.
- May 2013 Kinesiotaping Methods and Rehabilitation. Presentation and workshop. Genesis Healthcare, Davenport, IA.
- June 2006, June 2011, and June 2017 Orthotic Fabrication for Tetraplegia. Presentation and workshop. Rehabilitation Institute of Chicago Annual Spinal Cord Injury Conference. Primary instructor,.
- June 2012 Community Re-Integration Groups during Inpatient Rehabilitation. Invited presentation. Rehabilitation Institute of Chicago Annual Spinal Cord Injury Conference. Co-instructor with Michael Wehner, CTR.
- June 2009-2011 Mobile Arm Support in Rehabilitation. Presentation and workshop. Rehabilitation Institute of Chicago Annual Spinal Cord Injury Conference. Primary instructor with Amanda Myron DPT, PT and laboratory assistant with Kim Muir, MS, OTR/L.
- 2007-2013 Thermal and Electric Modalities for Occupational Therapist. Presentation and workshop. Rehabilitation Institute of Chicago. Laboratory lead and assistant,
- February 6, 2011 University of Illinois-Chicago, Physical Therapy Program. Guest Lecturer for PT 634: Neuromuscular Dysfunction II.
- February 13, 2011 Visual/Perceptual/Communication Deficits after CVA and Upper Extremity Interventions
- October 2010 Electrical Modalities in Rehabilitation. Presentation as part of the medical resident lecture series. Rehabilitation Institute of Chicago.
- April 2010 International Classification of Function (ICF) and Rehabilitation. Presentation and workshop. Workshop assistant. Rehabilitation Institute of Chicago.

- December 12, 2009 Mobile Arm Supports and Promotion of Functional Activities after Spinal Cord Injury Primary Presenter. Rehabilitation Institute of Chicago Northbrook, IL.
- September 2, 2009. Upper Extremity Anatomy Review. Presentation and Laboratory. Laboratory Assistant. Pre-Conference: ASSH and ASHT National Conference San Francisco, CA.
- May 14, 2009 Therapeutic Taping Techniques for Rehabilitation. Primary Presenter. Rehabilitation Institute of Chicago.
- May 13, 2008 Shoulder Protection and Wheelchair Ergonomics. Primary Presenter. Rehabilitation Institute of Chicago.
- May 14, 2009 Kinesiotaping Methods with the Neurological Population. Co-Presenter with Rebecca Ozelie, DHS, OTR/L. Rehabilitation Institute of Chicago.
- June 26 2007 Interdisciplinary Treatment in the Rehab Setting Nurse Extern Education Day. Panel member. Rehabilitation Institute of Chicago.
- April 26 2007 OT interventions and Adaptive Equipment. Primary presenter at Take Your Children to Work Day. Rehabilitation Institute of Chicago. *April 26 2007.*
- December 28, 2006 Creating the RIC Experience: Patient Admission Process at RIC. Rehabilitation Institute of Chicago.

POST PROFESSIONAL GRADUATE RESEARCH MENTORING.ADVISING

**Post Professional Clinical Doctoral Committee Member**, University of Illinois-Chicago, Student: Julia Bates, graduation projected for *Spring 2024*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Jennifer Stenger, graduation projected for *Spring 2023*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Jennifer Stenger, *Fall 2022*

**Post Professional Clinical Doctoral Committee Member**, University of Illinois-Chicago, Student: Michelle Moy, graduation *Spring 2022*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Michelle Moy, *Fall 2021*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Artemis Sefandonakis, *Fall 2021*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Jennifer Stenger, *Spring 2021, Fall 2021*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Student: Ashley Maldonado, *Spring 2020*

**Post Professional Clinical Doctoral Practicum Experience Advisor**, University of Illinois-Chicago, Students: Elizabeth Robinson and Sarah Zera, *Spring 2018*

**Buchanan Fellowship Research Advisor**. Integrating Strategy Training into Occupational Therapy as a Standard of Practice, SRALab, *Fall 2017-Summer 2018*

**Post Professional Clinical Doctoral Committee Member**, University of Illinois-Chicago: Assessment of Motor and Process Skills: Breaking Barriers and Embedding Occupation Performance Based Assessment in a Rehabilitation Setting. Student: Bridget Hahn, *Fall 2016-Fall 2017*

**Post Professional Clinical Doctoral Committee Member and Principal Investigator**. Improving Occupation-Based OT Intervention for Adults with Severe Traumatic Brain Injury in an Inpatient Rehabilitation Setting. Student: Elizabeth Robinson, *Fall 2017-Spring 2018*

#### RESEARCH PARTICIPATION

|                        |  |
|------------------------|--|
| November 2022          | <b>Principal Investigator:</b> Unfunded research collaboration with UIC and Rush University: An exploration of Perceived Fieldwork Preparation during the COVID-19 Pandemic.             |
| June 2020-2023         | <b>Principal Investigator:</b> Unfunded research collaboration with PT department: An exploration of the impact of telehealth clinical education in occupational and physical education. |
| March 2019-August 2019 | <b>Clinical Assessment Rater:</b> Revance JUNIPER study for Neurotoxins, Industry funded, PI: Dr. Christina Marciniak  |
| April 2019-2020        | <b>Clinical Assessment Rater:</b> ReNetX Safety Efficiency and Tolerability of AXER-204 for Chronic SCI. Industry funded, PI: Dr. David Chen   |
| January 2018-2022      | Granted access to the Clinical Neuroscience Research Registry. Funding provided by SRALab and Northwestern University  |

- January 2018-2020 Determining the Initial Psychometric Properties of the Bilateral Task Assessment. Rush University Department funded, **Principal Investigator**
- January 2018-May 2019 Asterias Phase 1/2a Study to Assess the Efficacy and Safety of Stem Cell Transplantation in Cervical Spinal Cord Injury. Industry funded, PI: Dr. David Chen, **Blinded Assessor** in a Multisite study
- November 2017-Present Patient Engagement Intervention in Inpatient Spinal Cord Injury Rehabilitation using Enhanced Medical Rehabilitation. Funding provided by the Craig H. Nielsen Foundation PSR Pilot Grant (\$200,000), **Co-Investigator/On site Principal Investigator** with Dr. Alex Wong, 9% effort
- November 2017-July 2018 Looking Glass Adaptation. Funding provided by the Department of Health and Human Services and National Institutes of Health, PI: Dr. James Patton, **Clinical Assessment Assessor, Research Support and Clinical Consultant**
- December 2017-August 2019 Investigating Methods to Increase Movement Speed for Stroke Survivors/ Error Enhanced Learning and Recovery. Funding provided by the National Institute on Disability and Rehabilitation Research MARS3 Grant, PI: Dr. James Patton, **Clinical Assessment Assessor, Research Support and Clinical Consultant**
- January 2017- August 2018 Evaluating Client-Centered, Evidence-Based Practice during Inpatient Rehabilitation using Knowledge Translation Strategies. Rush University Department funded. **Principal Investigator**
- November 2016-August 2019 Phase 2b/3 Study to Assess the Efficacy and Safety of VX-210 in Subject with Acute Traumatic Cervical. Funding provided by Vertex Pharmaceuticals Incorporated, PI: Dr. Cybulski, **Blinded Assessor** in a Multisite study
- November 2016-August 2019 Daily Intermittent Hypoxia and Task-Specific Upper Limb Training in Persons with Chronic and Incomplete Spinal Cord Injury. Funding provided by the National Institute on Disability and Rehabilitation, PI: Dr. William Rymer, **Clinical Research Consultant and Blinded Assessor**

- January 2016-2018 Occupational Therapy Level II Fieldwork Impact on Clinicians: A Preliminary Time Study. Rush University Department funded, **Co-Principal Investigator**
- 2016-2018 Responsiveness of the Capabilities of Upper Extremity Test, Primary site: Thomas Jefferson University, RIC PI: Dr. David Chen, **Assessor**
- August 2016-2017 Occupational Therapy in Neurorehabilitation: Addressing the Psychosocial Needs of Individuals Post-Stroke, a Client and Practitioner Perspective, Midwestern University PI: Dr. Emily Simpson, **Clinical Research Advisor**
- October 2015-August 2019 HANDS: A Multi-Center Trial to Evaluate the Effectiveness of Intermittent Hypoxia Therapy in Individuals with Spinal Cord Injury. Funding provided by the Department of Health and Human Services, PI: Dr. William Rymer, **Clinical Research Consultant and Blinded Assessor**
- September 2015- August 2019 Effect of a Novel Intervention Using Daily Intermittent Hypoxia and High Intensity Training on Upper Limb Function in Individuals with Spinal Cord Injury. Funding provided by the National Institute on Disability and Rehabilitation, PI: Dr. William Rymer, **Clinical Research Consultant and Blinded Assessor**
- August 2015- August 2019 Intermittent Hypoxia and Upper Limb Training in Individuals with Spinal Cord Injury. Funding provided by the National Institute on Disability and Rehabilitation, PI: William Rymer, **Clinical Research Consultant and Blinded Assessor**
- January 2015- March 2017 A Single-Blind, Randomized, Parallel Arm, Phase II Proof-of-Concept Study of the Safety and Efficacy of HuCNS-SC Transplantation in Cervical Spinal Cord Injury. PI: Dr. Aruna Ganju, **Blinded Assessor**
- 2015-2018 Telerehabilitation in the Home versus Therapy In-Clinic for Patient with Stroke, Primary site: University of California-Irvine, RIC PI: Dr. Elliot Roth, **Treatment Therapist** in a Multisite study
- December 2014-August Promoting Participation in Inpatient Stroke Rehabilitation.

2016 Internal SRALab funding, **Co- Principal Investigator** with Dr. Allen Heinemann

January 2014-August 2015 Feasibility of the Patient Reported Outcome Measurement Information System in the Stroke Population to Enhance Occupational Therapy Practice. Rush University Department funded, **Principal Investigator**
