

Welcome to Rush! As new or existing University staff, you may have questions about how to get around the Rush campus or what your options are for employee parking or public transportation. Check out the resources below to get acquainted with the campus and learn more about your options for parking and transportation.

- Visit the [Utilities, Parking and Transportation](#) page for all things related to parking and transportation at Rush. Here, you will find some of the resources listed below as well as others such as parking rates for patients, the Divvy Bike Website and the Chicago Bicycling Maps.
- Familiarize yourself with the campus by checking out the [Rush Transportation Map](#). This is a map of the Rush campus with a legend that identifies parking garages/lots, shuttle stops to get to remote garages, and shuttle stops for commuters to Ogilvie, Millennium and Union Stations.
- The [Transportation Fact Sheet](#) provides general information about transportation options for getting to Rush.
- [Chicago Transit Authority \(CTA\) Schedules & Routes](#) – The CTA operates mass transit in Chicago and some of the surrounding suburbs, options include the CTA “L” trains and bus service. Check out their website for more information on schedules and transit routes.
- [CTA Accessibility FAQs](#): The CTA is committed to making riding their trains and buses as accessible as possible. Check out the CTA Accessibility FAQ page for more information.
- [Pace Bus Schedules & Routes](#) – Pace Bus is a suburban transit provider offering public transportation for residents of suburban municipalities in Cook, Lake, Will, DuPage, Kane and McHenry counties.
- [Metra Maps & Schedules](#) – Metra is a commuter rail system that serves the city of Chicago and surrounding suburbs.
- [Rush Commuter Shuttle Buses](#) – Rush provides free pick-up/drop-off from the Ogilvie Transportation Center, Union Station and Millennium Park every Monday – Friday (except holidays).
