

Simulation and Procedural Bootcamp for Emergency Medical Clinicians

Agenda

DAY 1

8 – 9 a.m.

Introduction

9 a.m. – Noon

Instruction/Practice

Airway Management

- Rapid Sequence Intubation
- Bougie
- Intubating LMA
- King Airway
- Video-assisted
- Needle Cricothyroidotomy
- Surgical Cricothyroidotomy
- Pediatric Airway
- Difficult Airway Assessment

**Chest and Vascular
Procedures**

- Needle Thoracostomy
- Tube Thoracostomy
- Pericardiocentesis
- Central Vascular Access
- Intraosseous Access
- Pediatric IV Access

**Other emergent procedures
available upon request**

Noon – 1 p.m.

Lunch

1 – 4 p.m.

Simulation Cases

Medical Resuscitation Cases

Airway and Respiratory Cases

DAY 2

8 a.m. – Noon

Simulation Cases

Cardiovascular Cases

Traumatic Injuries

Noon – 1 p.m.

Lunch

1 – 4:30 p.m.

Simulation Cases

Pediatric Resuscitation Cases

DAY 3

8 a.m. – Noon

Simulation Cases

Obstetrics Cases
