Accessibility Services

Rush University is committed to attracting and educating students who will help to make the population of health care professionals reflective of the national population, including individuals with disabilities.

Services

Our goal is to ensure equal access to facilities, programs and services at Rush for students with disabilities. The Office of Student Accessibility Services is your go-to resource for disability-related questions, providing an individualized, interactive experience to help meet your needs.

Students are encouraged to apply for accommodations promptly after being admitted but may apply at any time throughout their program. Students seeking accommodations are required to complete and submit the following:

- A request for accommodation online form
- Documentation stating a disability

“We’re here to help you fulfill your potential as a valued member of the Rush University community and a future health care leader.”

Marie Lusk, Director
Office of Student Accessibility Services

Rush Wellness
Center for Clinical Wellness

Made possible by a significant philanthropic gift, the Center for Clinical Wellness (CCW) serves as a hub for all things wellness at Rush and is available to all current members of our community.

Students can make appointments online via the Rush Portal for Well-Being Coaching, Counseling or a Mini Wellness Retreat. Find out more on the Center for Clinical Wellness webpage.
More Wellness Resources

Mental Health First Aid
Similar to CPR training, this comprehensive program prepares our community to identify worrisome signs in ourselves and in others. In addition, this program provides guidance on how to respond to a classmate or friend in a mental health crisis. Learn more.

Student Health Insurance Plan

Rush University Policy requires all students to have quality health insurance. Students in Rush College of Medicine are automatically enrolled in the Student Health Insurance Plan. Underwritten by Blue Cross and Blue Shield of Illinois (BCBSIL).

This plan meets or exceeds a Gold metal level of coverage.

- Affordable, quality coverage compatible with the Affordable Care Act
- Academic Emergency Services (AES)*
- Covers you at school, at home and while traveling abroad
- Access to a broad Participating Provider Organization (PPO) Network from BCBSIL
- Access to multilingual 24/7 Nurseline
- Discounts on vision, fitness and much more

Once enrolled in the Student Health Insurance Plan, coverage will be in effect until the student graduates or provides proof of other comparable coverage. Also, please note that no pro-rata refunds will be given once enrolled in the program.

If you do not waive coverage by the deadline, the premium will be charged to your Rush student account. No changes will be made to a student’s Rush account after the waiver deadline.

Please note that dependents must be enrolled at the time the student enrolls and their coverage will coincide with that of the student. Dependent coverage will automatically be advanced from one coverage period to the next (the same as the student) until we are advised by the school to remove the dependent coverage or until the student is no longer covered under the plan. Dependents cannot purchase coverage unless the student has purchased coverage. To view rates and enrollment information, please go to rush.myahpcare.com.

Rush College of Medicine students who wish to add Dependents will need to contact the Office of Financial Affairs; call 312-942-5257 or send an email to financial_affairs@rush.edu.

Enrollment in the plan for all College of Health Sciences, College of Nursing and Graduate College students is required unless the student provides proof of coverage under a comparable plan. Students in these three colleges may enroll online at rush.myahpcare.com. The set premium will be charged to your tuition bill. If you have comparable coverage through another insurance carrier, you can show proof of comparable coverage and attach a copy of your health insurance ID card online at rush.myahpcare.com.
Office of Student Life and Engagement

Student Senate

Mission: To bring together student representatives from each college at Rush University to serve as liaisons between students, faculty, and administration to address common issues affecting all students and to promote interdisciplinary activity.

Responsibilities

Student Senate meetings are held twice a month and it is the obligation of every officer to attend a minimum of 12 meetings an academic year. Each elected board member shall serve for at least one year. Other duties include planning Student Senate events, voicing student concerns, serving on search and university committees, etc.

Membership

If interested in joining Student Senate or for more information, please email Student_Senate@rush.edu.

Elections for open positions will be held in Fall.
Diversity and Multicultural Affairs

Our goal is to help develop health care professionals who are reflective of the communities, patients and region we serve, and who have gained an understanding of the many forms diversity takes.

Student Affinity Groups

Our student affinity groups strive to create a welcoming and supportive environment for students from all backgrounds. In collaboration with our office, these groups host co-curricular activities that raise the level of awareness and appreciation for the many types of diversity at Rush.

The following is a list of our student affinity groups:

- American Medical Women's Association (AMWA)
- Asian Pacific American Medical Student Association (APAMSA)
- American Women Surgeons (AWS)
- Interprofessional Minority Student Association (IMSA)
- Latino Medical Student Association (LMSA)
- Student National Medical Association (SNMA)
- Rush Christian Fellowship (RCF)
- Rush Jewish Student Association (JSA)
- Rush Muslim Student Association (MSA)
- Rush South Asian Student Association (SASA)
- Rush Pride
- Rush University Diversity and Inclusion (RUDI)
The Office of Global Health

Mission: To work in partnership with underserved global communities to improve health and well-being through inter-professional service, learning and scholarship.

Service Learning Opportunities through the Office of Global Health

All students are eligible to participate in service learning opportunities through multiple avenues. Rush has pre-approved sites (Dominican Republic and Haiti) and structured trips (RISE) on which students can participate. Opportunities for the 2020-21 primary care and surgical service trips are available on the Global Health webpage.

Rush Students for Global Health

Rush Students for Global Health seek to introduce and cultivate an interest in global health and global health medicine within the Rush University community by promoting awareness of current issues in the practice of global health and medicine through lectures and forums and by advertising international medical experiences available to all Rush University students, residents, and attending physicians.

M4 Elective

In order to be eligible for scholarship and credit, students enrolled in the medical college must take the Global Health elective and serve in an approved site (Dominican Republic and Haiti). There are additional pre-approved locations (India & AAMC Visiting Student Learning Opportunities sites).

Rush Interdisciplinary Service Experience (RISE)

RISE provides a structured curriculum and scholarly focus to the community service component of the service experience. Each year there is a different project, which is conducted over spring break. All students are invited to apply. To get comprehensive details on this year’s project and logistical details, visit the RISE page.

How should you be informed in an emergency?

Emergency situations can happen anywhere, at any time. Be ready with RU Alert — Rush’s emergency alert system for Rush employees, faculty and students.

What do you need to do?

RU Alert only knows your Rush email, so tell us ALL the ways you want to be contacted - text, phone, email - so we can reach you quickly when seconds count. Go to: http://mobileweb.rush.edu/secure/optin to update your profile.

RU Alert will only be used for critical emergencies.

When something just doesn’t seem right

Speak up!

Confidential, anonymous toll free phone or web reporting available 24 hours a day, 7 days a week.

**Student Complaint Portal**

Student complaints regarding services, academic programs, improper conduct, or other challenges impacting the student’s experience may be addressed informally such as following up with the specific staff or faculty affiliated with a particular issue.

In the case where a student feels their complaint would be best handled through formal procedures, Rush University offers a process for students to confidentially submit their formal complaints through the Student Complaint Portal.

Certain complaints have specific procedures, such as Title IX sexual misconduct or Grade Appeals. Under circumstances where a student files a formal complaint through the Student Complaint Portal requiring a specific procedure or contact person, the complaint will automatically be routed to the appropriate area for additional review and follow-up.

**Rush Hotline**

Rush is an organization with a strong commitment to compliance, ethics, and respect in the clinical and academic settings.

Rush wants you to feel comfortable in approaching your supervisor/management or faculty/college administrator with questions and concerns including instances where you believe violations of standards, policies, or inappropriate behavior may have occurred.

To encourage and support reporting of issues or concerns by our employees, students, patients, vendors and others, Rush has established phone and Internet-based reporting Hotline services.
Social Media

All are encouraged to engage with our social media channels and follow them for the latest Rush University news and announcements. Use social media to connect with the Rush University community and foster vibrant and thoughtful interaction.

Smart Social Media Use

While we welcome participation, be aware of best practices for smart social media use. Using social media appropriately will help protect your personal and professional reputation.

- Don’t post any details that can be used to identify a patient or student.
- Don’t seek out “friends” who are patients or respond to such requests.
- Don’t disclose personal information (home address, home and cell phone numbers, email addresses, etc.).
- Don’t use abusive language, ethnic and racial slurs, or hateful speech.

In addition, no student may speak on behalf of Rush or use a Rush seal or logo in any form of social media. For more information, Rush University Medical Center’s full social media policy can be found on Inside Rush.
