Rush University
2021-2022 Verification Worksheet
Independent Student

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and/or your spouse reported on your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification contact your financial aid administrator as soon as possible, so that your financial aid will not be delayed.

Instructions: Complete this next section if you, the student and/or spouse, filed or will file a 2019 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of the online FAFSA. If you have not already used the tool, go to https://fafsa.ed.gov, click “Make a correction,” and log into your FAFSA. From the Financial Information section of the form, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2018 IRS income tax information into your FAFSA. It takes up to three weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when or how to use the IRS Data Retrieval Tool, please contact the Office of Student Financial Aid at (312) 942-6256 or financial_aid@rush.edu.
