About Rush University

RUSH University is a private health sciences institution based in the Illinois Medical District, near Chicago's Loop. We offer more than 24 degree and certificate programs across medicine, nursing, allied health and biomedical research; more than 60 postgraduate training programs for medical residents and fellows; and continuing education options.

The University is located on the campus of Rush University Medical Center, a nationally ranked academic medical center specializing in leading-edge patient care and research.

Rush University offers a wide range of education and training options to prepare students for the next step in their health care career. Academic programs are offered through our four colleges:

- **Rush Medical College** (founded in 1837)
- **Rush University College of Nursing** (Program founded in 1885)
- **The College of Health Sciences at Rush University** (founded in 1975)
- **The Graduate College at Rush University** (founded in 1981)

Mission

RUSH University champions a learning environment in health and biomedical sciences through collaboration, education, research and equity for our students, faculty, staff and the communities we serve.

Vision

RUSH University is a model for improving health through innovative research and transformative education in a culture of excellence and equity.

Values

RUSH University's core values — innovation, collaboration, accountability, respect and excellence — are the roadmap to our mission and vision.

These five values, known as our I CARE values, convey the philosophy behind every decision RUSH employees make. RUSH employees also commit themselves to executing these values with compassion. This translates into a dedication — shared by all members of the RUSH community — to providing the highest quality patient care.
